- 1.2 **Term of Option and Term of Agreement.** The term of the Option you grant to us (the "**Investment Term**") will commence on the Effective Date and will expire at 11:59 p.m., Pacific Time, on the Expiration Date, unless otherwise extended pursuant to Sections 2.2.1 or 7.9. The term of this Agreement will continue until the receipt of the full amount of our Point Proceeds following (i) an Owner Option Repurchase or (ii) an Option Exercise. Certain obligations and provisions of this Agreement shall survive termination as provided in Section 7.8.
- 1.3 **Payment of Option Consideration.** We will pay you the total Option Consideration in two parts as set forth below.
- 1.3.1 **Payment of the Investment Amount and Option Grant Closing.** We shall pay you the Investment Amount within five Business Days of confirmation by an Escrow Agent that the escrow for the granting of the Option has closed including, but not limited to, confirmation of the following (the "**Option Grant Closing**"):
- (a) You have executed and delivered to the Escrow Agent each of the following Option Documents: (i) a signed original of this Agreement; (ii) a signed and notarized original of the Security Instrument; and (iii) any other required documents;
 - (b) the Security Instrument and any other required documents are properly recorded in the appropriate state or county recorder's office; and
 - (c) Point has been added as an additional named insured under your insurance policies in compliance with Section 4.1.1.
- 1.3.2 **Payment of the Exercise Payment.** If you choose to repurchase the Option, Point will calculate the Point Proceeds and account for the Exercise Payment according to Schedule 2. If Point exercises the Option, Point will credit the Exercise Payment against its share of proceeds from a Property Sale except as indicated in Section 2.3.
- 1.4 **Payment of Point Proceeds.** Except as otherwise noted, your obligations under this Agreement will cease once you pay us our Point Proceeds, which will always be calculated per Schedule 2. This will typically occur by (a) your election to terminate and repurchase the Option by paying us the Point Proceeds (an "**Owner Option Repurchase**"), or (b) our election to exercise the Option upon the events specified in Section 1.4.2 event and be paid the Point Proceeds in a Property Sale. The Calculation of the Point Proceeds takes into account a cap (the "**Capped Repayment Amount**") that may limit the amount of Point Proceeds you are obligated to pay to Point. The Capped Repayment Amount is based, in part, on the length of time that has elapsed between the Effective

Date and the date Point receives the Point Proceeds.

1.4.1 **Owner Option Repurchase.** At any time during the Investment Term, you may elect to repurchase and thereby terminate the Option by paying us the Point Proceeds. To initiate an Owner Option Repurchase, you must deliver written notice to us at least 15 days prior to the proposed closing date. You may be required to provide additional notice if you are repurchasing the Option in connection with a Property Sale or at the Expiration Date. The closing of the Owner Option Repurchase will be scheduled to allow us to conduct an Appraisal, at your cost, to determine the Final Home Value.

We shall retain the right to reject any tender by you of the Point Proceeds that is less than the full amount of the Point Proceeds, is less than \$0, is not actually received by Point or is not tendered within the time frame agreed to by you and Point, or is in violation of applicable law. Upon our acceptance of the Point Proceeds, the Option shall terminate.

1.4.2 **Option Exercise Triggers.** At any time prior to you consummating an Owner Option Repurchase, we have the right to exercise the Option upon the following events: (a) any Transfer of the Property or any portion of the Property as provided in Section 2.1; (b) at the Expiration Date, as provided in Section 2.2; (c) upon an Event of Default as provided in Section 2.3; or (d) upon special circumstances as provided in Sections 4.4 and 4.5.

1.5 **Recording and Securing the Option.** You grant us the right to secure your performance under the Agreement and our right to our HEI Percentage through a Security Instrument (a Deed of Trust or Mortgage) (the "**Security Instrument**"), which will be properly recorded or filed. You also grant us the right to record public notice of the Option either through (a) a rider or other means of incorporation into the Security Instrument or (b) a separately recorded memorandum evidencing: (i) the provisions of this Agreement that constitute covenants running with the land and (ii) the terms of this Agreement ("**Notice of Option Purchase Agreement**").

Section Two: Owner Option Repurchase and Option Exercise

2.1 **Owner Option Repurchase or Point Option Exercise Upon a Sale.** In connection with any Property Sale you may elect to terminate and repurchase the Option. If you do not elect to repurchase the Option, then we shall have the right, but not the obligation, to exercise the Option and be paid our Point Proceeds ("**Option Exercise Upon a Sale**").

2.1.1 **Permitted Sale.** Any Property Sale by you, whether in connection with an Owner Option Repurchase or our Option Exercise, must meet the following conditions (a "**Permitted Sale**"): (a) you must use a licensed real estate agent to market and sell the Property; (b) the home must be listed for sale on the Multiple Listing Service; (c) the sale must be an Arm's Length Transaction; (d) you will be solely responsible for conveying title free and clear of any liens to the satisfaction of the Third Party Buyer, and for satisfying any and all loans and other obligations secured by liens on the Property; (e) the transfer of the title to the Property at the closing of a Property Sale to a Third Party Buyer must convey the Property without being subject to the Option or any of the Option Documents; (f) the Property Sale and transfer of the title to the Property may not be defeasible by you or the Third Party Buyer after close of Escrow upon the occurrence of some future contractually-specified event; and (g) you must not be in default of this Agreement. If you do not comply with all the above requirements, Point may order an Appraisal at your cost and use the Appraised Value of the

Property rather than the sale price to calculate Point Proceeds. For the avoidance of doubt, a Property Sale that is not in accordance with this Section 2.1 but is otherwise expressly consented to in writing by Point will be considered a Permitted Sale. The Final Home Value shall be determined by Schedule 2 Paragraph C.1.

2.1.2 Notices and Documentation Upon Proposed Property Sale.

- (a) Owner Notice of Intention to Sell. You must give us prompt written notification, but no later than when you list the home for sale or, if the Property will be sold off the market, then at the time that you know you intend to sell.
- (b) Owner Notice of Acceptance of Offer. If you accept an offer to purchase the Property, you must give us immediate, written notification but in no event more than 5 days after your acceptance of such offer and at least 15 days prior to a closing of any such transaction.
- (c) Owner Notice Requirements. When you provide your notice of intent to sell or accept an offer, you must (i) indicate whether you elect to make an Owner Option Repurchase, or acknowledge we may make an Option Exercise in connection with the Property Sale; and (ii) include all related documents and agreements executed, created, obtained or delivered by you in connection with the marketing or sale of the Property.
- (d) Point Notice of Option Exercise Upon a Sale. If your notice of intent to sell or accept an offer does not indicate that you will make an Owner Option Repurchase, within five Business Days of our receipt, we may deliver a written notice to you informing you of our intent to commence our Option Exercise Upon a Sale ("**Notice of Option Exercise Upon a Sale**"). If you do not provide us with a notice of intent to sell or accept an offer, we will not have any obligation to deliver a Notice of Option Exercise Upon a Sale.
- (e) Required Documentation. You shall promptly provide us all documents, purchase offers, escrow instructions, preliminary title reports and any other materials relating to the proposed sale or transfer as they become available.

2.1.3 INTENTIONALLY OMITTED.

2.1.4 Closing of Sale and Owner Option Repurchase or Option Exercise Upon a Sale.

- (a) Escrow. Any Property Sale must be consummated through a licensed real property Escrow using the services of an Escrow Agent. Any instructions to the Escrow Agent regarding the disbursement of sales proceeds, the payment of our Point Proceeds and the release of the Security Instrument and, if applicable, the Notice of Option Purchase Agreement must have our prior written consent. Our consent will be given and conditioned upon our determination of your compliance with the terms and conditions of this Agreement.
- (b) Concurrent Closings. The closing of an Owner Option Repurchase may occur prior to or concurrently with the Property Sale through the same Escrow as the Property Sale.
- (c) Escrow Deliveries. On or prior to the close of Escrow upon any Property Sale where there will be an Owner Option Repurchase or Option Exercise Upon a Sale, (i) you agree to deliver or cause to be delivered to the Escrow Agent the appropriate deeds, affidavits, certificates or notices as may be required by federal or state law, in form satisfactory to us, to effect your Owner Option Repurchase or our Option Exercise; and (ii) we agree to deliver or cause to be delivered the Exercise Payment to the Escrow Agent, or, at our

election, the amount of the Exercise Payment may be debited against the Point Proceeds.

- (d) **Payment Allocations.** At close of and through Escrow for a Property Sale, we shall be paid an amount equal to the Point Proceeds. You will be solely responsible for paying Closing Costs and Sales Commissions and satisfying and removing any and all loans and other obligations secured by liens on the Property.

2.2 Owner Option Repurchase or Point Option Exercise as of Expiration Date. Prior to the Expiration Date, (a) you may elect to terminate and repurchase the Option by paying us the Point Proceeds through an Owner Option Repurchase in accordance with Section 2.2.1, or (b) if you do not consummate your Owner Option Repurchase, then we shall have the right, but not the obligation, to exercise the Option as of the Expiration Date, subject to the terms and conditions of Section 2.2.2 ("**Option Exercise as of Expiration Date**").

2.2.1 Owner Option Repurchase as of Expiration Date. To initiate an Owner Option Repurchase in connection with the expiration of the Investment Term, you must deliver written notice to us of your election to make an Owner Option Repurchase at least 50 days prior to the Expiration Date. The closing of the Owner Option Repurchase must occur prior to the Expiration Date and should be scheduled so as to allow us to conduct the Appraisal to determine the Final Home Value for purposes of calculating the Point Proceeds. If you elect to make an Owner Option Repurchase but the closing of the Owner Option Repurchase is not consummated prior to the Expiration Date, then (a) in Point's sole discretion, your right to make an Owner Option Repurchase may thereafter be terminated, and (b) the Investment Term shall automatically be extended by 90 days after the original Expiration Date to permit us the opportunity to make an Option Exercise as of Expiration Date.

2.2.2 Option Exercise as of Expiration Date and Property Sale. In the event of an Option Exercise as of Expiration Date, you will first be required to fully cooperate and execute all documents necessary to grant us the exclusive right to market and sell the Property. We will then purchase the HEI Percentage of the Property by paying you the Exercise Payment, which will be held in an interest-bearing escrow account (the "**Exercise Payment Escrow Account**"). Upon closing of Escrow on the exercise of the Option, we will thereby take joint ownership of the Property with you and have the right to solicit and to sell the entire Property, including your interest therein, to one or more third parties in a Property Sale subject to the procedures set forth in Section 2.2.2(d). The Exercise Payment will not be released until the closing of a subsequent Property Sale. The legal form of joint ownership will be decided by us, in our sole discretion, at the time of Option Exercise as of Expiration Date. You shall retain physical possession and the exclusive right to occupy the Property prior to a Property Sale (except if we determine, in our sole discretion, that there are extreme circumstances affecting the condition of the Property, such as abandonment, in which case we shall have discretionary rights of entry or possession solely in order to preserve and maintain the Property).

- (a) **Notice of Option Exercise as of Expiration Date.** To commence our Option Exercise as of Expiration Date, we will deliver written notice to you of our intention to exercise the Option ("**Notice of Option Exercise as of Expiration Date**") at least 30 days prior to the Expiration Date.
- (b) **Documentation; Appraisals; Inspections; Confirmation of Title.** Within 15 days following delivery of the Notice of Option Exercise as of Expiration Date, you agree to allow us to conduct both a home inspection and an Appraisal of the Property, at your cost, for the

purpose of ascertaining the market value and the condition of the Property. Upon our request, you will also provide us with Confirmation of Title to our satisfaction, effective as of the date of closing of the Option Exercise as of Expiration Date. You will deliver to us any documents necessary to grant us the exclusive right to market and sell the Property. If we are not satisfied, in our sole discretion, with the value of the Property following the Appraisal or with the Confirmation of Title, we may withdraw our intention to exercise the Option and cancel our Notice of Option Exercise as of Expiration Date in writing, without any penalty to us or any further obligation to exercise the Option.

(c) Closing on Option Exercise as of Expiration Date.

- (i) **Escrow for Option Exercise as of Expiration Date.** To effect the Option Exercise as of Expiration Date and purchase our HEI Percentage of the Property, we shall open an Escrow, separate from the Exercise Payment Escrow Account. The parties shall use best efforts to close Escrow by the Expiration Date, with the Exercise Payment to be held in the Exercise Payment Escrow Account until the closing of a subsequent Property Sale.
- (ii) **Closing Deliveries for Option Exercise as of Expiration Date.** On or prior to the close of Escrow upon our Option Exercise as of Expiration Date, you agree to deliver or cause to be delivered to the Escrow Agent the following: (i) a Grant Deed; (ii) Closing Costs, if any; (iii) any documents or other instruments that may be required by the Escrow Agent in connection with Confirmation of Title; (iv) the appropriate affidavits, certificates or notices as may be required by federal or state law, in form satisfactory to Point; (v) any documents necessary for Point to conduct a Property Sale following Option Exercise; and (vi) instructions to the Escrow Agent that the Exercise Payment be deposited and held in an interest bearing Exercise Payment Escrow Account pending the closing of a Property Sale. We agree to deliver or cause to be delivered to the Escrow Agent (a) a preliminary change of ownership report (or similar document) required under applicable state or local law, and (b) the Exercise Payment which will be deposited in the Exercise Payment Escrow Account, less all monetary amounts owed to Point in the form of unpaid Service Fees and unreimbursed Preservation Payments.

(d) Property Sale in Connection with Option Exercise as of Expiration Date.

- (i) **Initiation of Property Sale by Owner.** If you intend to initiate a Property Sale following our initiation of Option Exercise as of Expiration Date, you must meet the Owner obligations upon a Property Sale, and the sale must meet the conditions for a Permitted Sale, as described in Section 2.1.
- (ii) **Initiation of Property Sale by Point.** If we choose to initiate a Property Sale after or in conjunction with our Option Exercise as of Expiration Date, we shall provide you with 10 Business Days advance notice of our intention to solicit buyers and sell the Property to one or more third parties in a Property Sale. You shall cooperate by allowing access to the Property and promptly executing all documents reasonably presented to you by us to effect a transfer of your interest in the Property to the Third Party Buyer.
- (iii) **Final Home Value and Payment of Proceeds.** In any Property Sale following our Option Exercise as of Expiration Date, the Final Home Value shall be as determined by Schedule 2 Paragraph C.1. At close of and through the Escrow for the Property

Sale by us under this Section 2.2.2(d), the Escrow shall be conducted and sale proceeds shall be allocated and paid in the manner described in Section 2.1, except that the amount in the Exercise Payment Escrow Account shall be released to you and we shall also be paid (i) any Closing Costs that we pre-paid; and (ii) any other commercially reasonable sums expended by us in good faith in the preparation and marketing of the Property for sale.

2.3 Option Exercise After Default and Property Sale. At any time during the term of this Agreement, upon the occurrence of any Event(s) of Default described in Section 6.1 below, we shall have the right, but not the obligation, to exercise the Option (an "**Option Exercise After Default**") pursuant to the terms of this Section 2.3 and purchase the HEI Percentage of the Property by paying you the Exercise Payment which will be held in a separate Exercise Payment Escrow Account. We may then require you to fully cooperate and execute all documents necessary to grant us the exclusive right to market and sell the Property. Following the closing of escrow on Option Exercise After Default, we will thereby take joint ownership of the Property with you and have the exclusive right to solicit and to sell the entire Property, including your interest therein, to one or more third parties in a Property Sale. The legal form of joint ownership will be decided by us, in our sole discretion, at the time of Option Exercise After Default. Prior to a Property Sale, you shall retain physical possession and the exclusive right to occupy the Property (except if we determine, in our sole discretion, that the Property is at risk of waste or gross neglect, in which case we shall have discretionary rights of entry or possession solely in order to preserve and maintain the Property). At any time from an occurrence of any Event of Default until the cure of such default to our sole satisfaction, we may order one or more Appraisals.

2.3.1 Notice of Option Exercise After Default. Upon the occurrence of any Event(s) of Default giving rise to our right to exercise the Option, we shall provide written notice to you of the default and your right to cure (the "**Notice of Right to Cure Default**"). In the event that you fail to cure the default, as determined in our sole discretion, within 30 days following delivery of Notice of Right to Cure Default, we may, but are not obligated to, declare a default and our election to exercise the Option by delivering to you a written Notice of Option Exercise After Default (the "**Notice of Option Exercise After Default**"). Upon delivery of the Notice of Option Exercise After Default, we shall automatically be permitted to commence the process to exercise the Option and close on the Option Exercise, without further notice to you, pursuant to those terms and conditions set forth for Option Exercise as of Expiration Date in Sections 2.2.2(b) - (d) above; except that we shall additionally deliver instructions to the Escrow Agent, in form and content acceptable to us, concerning disbursement of the funds in the Exercise Payment Escrow Account to remedy the Events of Default in accordance with Section 2.3.3 below. We may, but are not obligated to, record the Notice of Option Exercise After Default in the county where the Property is located.

2.3.2 Owner Cure or Failure to Cure After Notice. In the event we deliver you a Notice of Option Exercise After Default, you shall retain the right to cure such default, with Point to determine the sufficiency of such cure in its sole discretion, on or before the 90th day following delivery of such Notice. In the event you fail to timely or sufficiently cure the default, as determined in our sole discretion, we shall notify you of the date we have selected for close of Escrow on our Option Exercise After Default; provided, however, that close of Escrow may not occur until the 120th day following delivery of the Notice of Option Exercise After Default, at the earliest.

2.3.3 Amounts Chargeable to Owner After Default. You authorize us to pay all amounts necessary to any third parties to enable us to cure and remedy your Event of Default by either

(a) prior to Option Exercise, reducing the Exercise Payment that is owed to you through the Escrow for our Option Exercise After Default or (b) following Option Exercise, making disbursements from the Exercise Payment Escrow Account as described in Section 2.3.1. To cure and remedy the default, we may make payments to cover your delinquent payments, accrued interest, late fees, reinstatement fees, taxes and other penalties, together with any and all amounts which we deem necessary, in our discretion, to repair, protect and maintain the Property. Additionally, Point may charge you reasonable administrative fees for our oversight of the default process.

2.3.4 Property Sale Following Option Exercise After Default. Any Property Sale initiated by you or Point following Point's Option Exercise After Default must be conducted in accordance with the terms and conditions of Section 2.2.2(d), provided that, the Final Home Value shall be determined according to Schedule 2 Paragraph C.2.

2.3.5 Concurrent Remedies. Our right of Option Exercise After Default under this Section 2.3 shall be, to the extent permissible under law, concurrent with our other rights and remedies at law and in equity, including, without limitation, remedies specified in Section 6 below. We retain full discretion to select the appropriate remedy following default, and are not obligated to initiate Option Exercise prior to initiating foreclosure proceedings.

2.3.6 Owner Option Repurchase After Default. At any time following our delivery of a Notice of Right to Cure Default but prior to the consummation of our Option Exercise After Default, you may elect to terminate and repurchase the Option by paying us our Point Proceeds in an Owner Option Repurchase as provided in Section 1.4.1; provided that the closing of such Owner Option Repurchase must (a) occur (i) within 20 days of you providing us notice of your election to make the Owner Option Repurchase, and (ii) prior to any scheduled closing of an Option Exercise After Default; and (b) use an Final Home Value determined according to Schedule 2 Paragraph C.2 to determine the amount of Point Proceeds. If you elect to make an Owner Option Repurchase but the closing of the Owner Option Repurchase is not consummated within the prescribed periods in this Section 2.3.6, then (a) in our sole discretion, your right to make an Owner Option Repurchase may thereafter be terminated; (b) any waiting periods for us to be allowed to exercise of our remedies shall not be impacted; and (c) if we had delayed any exercise of our remedies because of your election, such delay shall not limit any of our rights to such remedies.

Section Three: Terminations

3.1 Non-Exercise; Other Terminations of Option. Subject to the continuing duties, rights and obligations of the parties under Section 5 (Representations and Warranties) and Section 6 (Default and Remedies for Default), the Option shall terminate under the following conditions if there has not been a prior Owner Option Repurchase or Option Exercise:

- (a) upon a Property Sale for which Point receives notice of intention to sell or acceptance of an offer, as provided in Section 2.1.2, and Point elects not to exercise the Option, provided such Property Sale would have otherwise met the conditions for a Permitted Sale;
- (b) Point elects not to exercise the Option, and allows it to lapse, as of the Expiration Date;
- (c) the Property is destroyed and the insurance proceeds and proceeds of the sale of the Property are paid to Point in the full amount specified in Section 4.4.2;

- (d) the Property is condemned, in whole and not in part, and the condemnation proceeds are paid to Point in the full amount specified in Section 4.5; or
 - (e) Point voluntarily terminates the Option Documents in writing.
- 3.2 **Effect of Non-Exercise and Termination.** If the Option is terminated as provided in Section 3.1 above, then (a) the Option and our rights to exercise the Option shall immediately terminate without notice; (b) the Investment Amount paid to you by us shall be retained by you in consideration of the granting of the Option; and (c) subject to any survival provisions, this Agreement and the other Option Documents shall terminate.
- 3.3 **Termination Following Exercise.** In the event of an Option Exercise, this Agreement shall continue in full force and effect, as provided in Section 1.2, and terminate following the consummation of a Property Sale, or other event, where we receive the full amount of our Point Proceeds; provided, however, that certain obligations and provisions of this Agreement shall survive such termination as provided in Section 7.8.
- 3.4 **Release after Termination.** Point will file or will cause to be filed a termination and release of the Notice of Option Purchase Agreement, if applicable, and a reconveyance or satisfaction of the Security Instrument after the Option terminates.

Section Four: Additional Covenants of Owner and Point

4.1 Covenants and Rights of Owner.

- 4.1.1 **Insurance.** You shall maintain at your own expense, and at a level that will cover the cost of replacement of the Property plus improvements, insurance on the Property against fire and other hazards with only those exclusions customarily associated with special form policies, and exceptions to those exclusions for ensuing loss. In addition, Point may from time to time reasonably require by written notice that you obtain and maintain (a) insurance against any other hazards, such as flood hazards or earthquakes, which insurance is common for similar properties in similar locations, and (b) liability insurance on the Property against such risks and in such amounts as are reasonable for similar properties in similar locations. Any such required insurance shall be obtained from a nationally recognized provider. We shall be named as an additional named insured and/or loss payee (or as we otherwise direct) under all hazard and liability insurance policies obtained by you, whether or not such insurance is required under this Agreement. You expressly authorize us to communicate directly with all such insurance companies for the purposes of ensuring the maintenance of such insurance policies and the coverage and reimbursement of losses thereunder. If you fail to maintain or obtain the insurance coverage required by this Section 4.1.1, we may obtain coverage on the Property that we, in our sole discretion, deem necessary and appropriate to protect our Point Proceeds as a Preservation Payment.
- 4.1.2 **No Receiver.** You shall not permit the appointment of a receiver for the Property. If a receiver for the Property is appointed, we may, but are not obligated to, take such action as we in our sole discretion may deem necessary or appropriate to remove such receiver, at your expense.
- 4.1.3 **Rental Requirements.** A "Non-Owner Occupied Property" is a Property that is rented or leased by the Owner to third parties without at least one Owner regularly occupying the

Property as a residence for living and sleeping quarters. A Non-Owner Occupied Property may not be leased or rented under an agreement that extends beyond the Expiration Date.

- 4.1.4 **Service Fees.** You shall pay all Service Fees imposed by us from time to time in accordance with this Agreement. Service Fees shall include, without limitation: (a) reasonable fees for processing your requests for subordination; (b) reasonable fees for processing your requests for Property title or ownership changes; (c) reasonable fees for processing any reconveyance or renewal recordings of our Option Documents; (d) reasonable fees for processing Preservation Payments; (e) reasonable fees relating to a default by you, including administrative fees for our oversight of the default process; and (f) charges to cover any third party or other out-of-pocket costs relating to any of the foregoing categories (including, for example, charges imposed by title companies and Escrow companies, recording of documents, and reasonable attorneys' fees).
- 4.1.5 **Existing Loans.** Without our express written approval, you shall not increase, or permit the increase of (whether through negative amortization or otherwise), any existing loans secured by liens on the Property.
- 4.1.6 **Liens and Secured Obligations.** You shall at all times pay and keep current any and all loans and obligations secured by liens on the Property. You shall not encumber the Property with any secured obligation that is either senior to or could have the effect of impairing Point's lien position.
- 4.1.7 **Occupancy.** You shall enjoy sole right of occupancy of the Property as an owner and not as a tenant or lessee, whether or not we have exercised the Option, subject to the rights of you and Point to sell the Property pursuant to the terms of this Agreement. The foregoing sole right of occupancy shall be effective only so long as you do not Transfer or attempt to Transfer the Property except as permitted under this Agreement. Your right of sole occupancy is not transferable by you except as part of a Property Sale or Exempted Owner Property Transfer, or as otherwise permitted by us in our sole discretion.
- 4.1.8 **Tax Benefits.** You shall be entitled to the full benefit of any and all tax advantages arising in relation to the Property, including, without limitation, all available deductions for taxes paid by you; provided, however, that you shall not be entitled to any tax benefits arising out of or attributable to any unreimbursed Preservation Payment.
- 4.1.9 **Obligation to Provide Information to Point.** Upon our reasonable request, you shall answer questions regarding the status of the Property and provide to us such reports, proof of payment of taxes or assessments, insurance policies, proof of insurance coverage and information available to you concerning the Property and any modifications to the Property. You or your representative shall immediately provide Point with notice of any event that has or may be expected to have a material effect upon the Property, the value of the Property, or Point's ability to exercise any right conferred by any of the Option Documents, including, without limitation, (a) the death or divorce of any Owner, (b) the death of any Trustee or Trustor (where Owner is/are the Trustee(s) of a Revocable Trust), or (c) the occurrence of an Event of Default.
- 4.1.10 **Debt Payoff.** A portion of the Investment Amount may be paid to settle and discharge your debts and outstanding amounts owed to third party creditors (the "Debt Payoff"). Point and Owner will instruct the Escrow Agent handling the Option Grant Closing to make disbursements for the Debt Payoff. Point and Owner agree that the Debt Payoff Amount represents the amounts due to the creditors and the Debt Payoff Amounts specified in the

Option Agreement Estimate and Closing Disclosure are estimates based on the best information we have prior to the Option Grant Closing. You agree that the daily amounts of each debt may fluctuate and that Point may change the final amounts paid to each creditor to best accomplish the parties' intent. These amounts may increase due to accrual of interest between the Effective Date and the date funds are disbursed through escrow. These amounts may also decrease due to payments that You made prior to the Option Grant Closing. Point and Owner agree that the actual amount to be paid through escrow to Owner's creditors will include all interest accrued and due as of the date of the Option Grant Closing and may be an amount greater or lesser than the estimated Debt Payoff Amount indicated on the Closing Disclosure. Any amounts due to creditors in excess of the estimated Debt Payoff Amount will be deducted from the remaining Investment Amount due to Owner. Any changes made to the Debt Payoff will not affect the amount of the Investment Amount.

Owner is responsible for paying off any existing debts and outstanding amounts owed to third party creditors that are not part of the Debt Payoff.

We will send you written confirmation of the exact amounts paid pursuant to the Debt Payoff following the Option Grant Closing. Within ten days of receiving payment of the Investment Amount following the Option Grant Closing, you will initiate payments in accordance with the terms of this Agreement to those third party creditors who were not paid through Escrow in connection with the Option Grant Closing; within 45 days of the Option Grant Closing, you will provide Point with written evidence from your bank or the third party creditors of payments made pursuant to this Section 4.1.10.

4.2 Covenants and Rights of Point.

- 4.2.1 **Point's Interest in the Property.** Until the time you consummate an Owner Option Repurchase or Point closes on the Option Exercise, Point has a contingent ownership interest in the Property. Following the closing of the Option Exercise, Point will have joint ownership rights in the Property.
- 4.2.2 **Preservation Payments.** To the extent that you fail to take action to protect the Property and Point's Rights as required under this Agreement, we shall have the right in our sole discretion to take such action and pay such money as we deem appropriate to correct your failure to take such required action ("**Preservation Payments**"). We shall give you five Business Days written notice of your failure prior to our taking corrective action. You shall promptly, upon demand for payment, but not later than 10 Business Days after demand, pay or reimburse us for any and all Preservation Payments, including, without limitation, those related to: the placement of insurance, the payment of taxes, expenses to remove or prevent a receiver for Property or the cure of defaulted loans. Point may be entitled to charge you an interest rate of 8% per annum (or less if limited by applicable law) on any Preservation Payments it makes. Interest will begin to accrue on the date Point makes the Preservation Payment and will continue to accrue until Point is repaid or receives its Point Proceeds.
- 4.2.3 **Waiver of Right to Partition.** Owner and Point each hereby waive and relinquish all rights either of them may now or hereafter have to seek partition of the Property, whether in kind or by sale; provided, however, that Point shall retain the right to seek a partition: (a) in the event of, and as part of any action arising out of an Event of Default which is not timely cured pursuant to Section 2.3 above; or (b) in connection with any claim or action by Owner which asserts in whole or in part that this Agreement or any portion hereof is against the law or otherwise unenforceable.

4.2.4 **Right to Disclose Certain Information.** We may share certain personal and financial information with regard to this Agreement with our affiliates, subsidiaries, assignees and persons with which we intend to conduct business, including, without limitation, the address and general location of the Property, appraisal reports and other valuations of the Property, and the financial terms of this Agreement.

4.2.5 **No Point Liability and No Point Loans.** Point shall not be liable for (including liability to repay) any loans created or obtained by you whether before or after any exercise of the Option and whether or not consented to, approved of, or subordinated to by Point. Further, we shall have no liability for homeowner association fees, property taxes, homeowner or property insurance or other liabilities or obligations that might arise in connection with the Property.

4.3 Appraisals.

4.3.1 **Appraisal Order.** In the event of (a) a proposed Property Sale; (b) a proposed Owner Option Repurchase; (c) a determination of Final Home Value as of the Expiration Date; (d) any allocation of insurance proceeds; (e) an Event of Default (at any time and on more than one occasion until the cure of such default or until an Owner Option Repurchase or a Property Sale following an Option Exercise After Default); or (f) any determination of Liquidated Damages pursuant to Section 8 of the Security Instrument, we may, in our sole discretion, (i) order an appraisal; (ii) order a broker's price opinion; (iii) order an underwriting-grade automated valuation model; or (iv) conduct any other reasonable valuation method to determine the value of the Property (collectively, an "**Appraisal**"). Subject to this Section 4.3, the value reflected on the Appraisal shall be the "**Appraised Value**" of the Property.

4.3.2 **Owner Cooperation.** You will cooperate with the appraiser by granting full access to the Property at reasonable times and by making available any and all relevant documentation in your possession pertaining to conditions that may affect the value of the Property.

4.3.3 **Additional Appraisals.** Subject to this Section 4.3.3, either Owner or Point may elect to order second and third Appraisals when an Appraised Value is needed under this Agreement. If either party desires to have a second Appraisal, then (a) the second Appraisal must be requested within 15 days after receiving final results of the first Appraisal, and (b) the Appraised Value will then be the average value of the two Appraisals. If either party desires to have a third Appraisal, then (i) the third Appraisal must be requested within 15 days after receiving final results of the second Appraisal, and (ii) the Appraised Value will then be the median value of the three Appraisals. Regardless of which party requests to order an additional Appraisal, Point, or its agent, will be solely responsible for ordering said Appraisals.

4.3.4 **Cost of Appraisal.** You shall pay all expenses associated with the first Appraisal on the Property ordered in connection with any event described in Section 4.3.1. The party that requests an additional Appraisal in connection with Section 4.3.3, if any, shall pay all expenses associated with such additional Appraisal. If you fail to pay the expenses associated with the first Appraisal or any additional Appraisal you request, we may subtract such expenses, or direct the payment of such expenses, out of Escrow.

4.4 Property Destruction or Damage; Insurance.

4.4.1 **Repair and Restoration.** If the Property is destroyed or damaged in any material manner, you shall restore or repair the Property to at least the same condition and characteristics as of the time immediately preceding such destruction or damage, subject to all applicable local

ordinances. Point may order an interior appraisal, at your expense, to determine the condition of the Property. Except to the extent you are required to take other action in connection with Senior Liens on the Property, you shall apply any and all insurance proceeds (whether or not the underlying insurance was required by us) to such restoration or repair. If the insurance proceeds are insufficient to complete the restoration or repair, you shall be responsible for any shortfall and we shall have no responsibility or obligation to pay any amount whatsoever in connection with the restoration or repair of the Property.

4.4.2 Allocation Where Repair Not Feasible. If any loss occurs in connection with the Property, and restoration or repair is not economically feasible, Point will obtain an Appraisal, at your expense, provided that the appraiser shall be instructed to determine the value of the Property as it existed immediately prior to the destruction or damage. If Point determines (i) a date immediately prior to the destruction or damage cannot be ascertained using reasonable discretion, or (ii) the destruction or damage occurred prior to the closing of this Agreement, the appraiser shall be instructed to determine the value assuming the restoration or repairs have been completed. Any and all insurance proceeds, whether or not the underlying insurance was required by us, will be allocated in the following order: (a) to payment (or reimbursement) of reasonable costs and expenses (including, without limitation, attorneys' fees that have been approved by us) reasonably incurred by you, a senior lender and/or Point in collecting and contesting with the insurers the payments under the relevant insurance policies; (b) to payment of all Senior Loans, provided that, if the insurance proceeds equal or exceed the amount owed under such Senior Loans, such payment shall result in the discharge of the related Senior Liens; (c) to us, an amount calculated according to the Calculation of Point Proceeds; and (d) to you, the balance of the proceeds.

4.4.3 Failure to Maintain Adequate Insurance. If (a) you fail to maintain insurance in amounts required by Section 4.1.1 above or any insurance claim is denied due to your action or inaction, and (b) the insurance proceeds from any loss are not sufficient to pay to us the entire amount owed as set forth in Section 4.4.2 above, then there shall be an Exercise Payment Insurance Reduction proportional to the decrease in the Property's value as compared to the Appraised Value of the Property immediately prior to the destruction or damage. In this case, we may exercise the Option (if we have not already done so) and sell the Property in its then-current state according to the procedure set forth in Section 2.3 above, except that the Exercise Payment shall be reduced because of the added economic burden and risk imposed on Point by virtue of your failure. The Exercise Payment Insurance Reduction shall be taken into account in the calculation of the amount due to us according to the Calculation of Point Proceeds. The proceeds of any sale pursuant to this Section 4.4.3, together with any and all available proceeds from any and all insurance policies (whether or not the underlying insurance was required by us), will be allocated as described in Section 4.4.2 above.

4.5 Condemnation. If the Property is condemned in whole or in part and the Option has been exercised, then all condemnation proceeds net of reasonable costs and expenses (including, without limitation, attorneys' fees that have been approved by Point) reasonably incurred by you and/or us in collecting and contesting the condemnation proceeds ("**Net Condemnation Proceeds**") shall be allocated as provided in Section 4.4.2(b) – (d) above. If the Property is condemned in part, and if the Option has not been exercised, then we will have the right to exercise the Option, calculating our Point Proceeds using the Net Condemnation Proceeds as the Final Home Value. The proceeds shall be allocated as provided in Section 4.4.2(b) – (d) above. In the case of a partial condemnation, Point's Rights shall be retained with respect to any portion of the Property that has not been condemned.

**Section Five:
Representations And Warranties**

- 5.1 **In General.** The Owner makes the representations and warranties in this Section 5 to, and for the benefit of, Point. The representations and warranties of Owner in this Section 5 shall be deemed made and renewed on and as of: (a) the Effective Date; (b) if you effect an Owner Option Repurchase, the date the repurchase is consummated; (c) if the Option is exercised, the date the exercise is consummated; and (d) upon any permitted assignment by you. The truth, accuracy and completeness of the representations, warranties and covenants set forth in this Section 5 at and as of each date in (a) – (d) above are a condition precedent to any and all of our obligations under each of the Option Documents.
- 5.2 **Capacity; Authority.** You represent and warrant that you, as the Owner(s) identified above, individually and collectively, appear on record title of the Property as holding fee simple title to 100% of the Property. Your fee simple title to the Property is marketable and insurable, free of restrictions, leases, liens and other encumbrances or interests, and except as specifically identified in the Confirmation of Title delivered to Point, except with respect to Acknowledged Pre-Existing Liens. You represent and warrant that you have the full capacity and the legal power, right and authority to grant the Option, to enter into this Agreement and the other Option Documents, and to consummate the transactions contemplated by those documents. If you are the Trustee(s) of a Revocable Trust: (a) such trust has been duly formed; (b) the Trustee(s) of such trust have the capacity and authority to enter into the Agreement and the other Option Documents; and (c) copies of all trust documents (and all amendments and supplements) have been delivered to Point.
- 5.3 **No Lawsuits, Claims, or Foreclosures.** There is no litigation or arbitration pending or, after your due and diligent inquiry, to the best of your knowledge, threatened against you that arises out of the ownership of the Property or that might adversely affect the Property, the value of the Property or your ability to perform your obligations under this Agreement. You have not received or are not aware of notice of any special assessment or other proceedings affecting the Property nor of any: (a) default or notice of default with respect to any loan or other obligation secured by the Property; (b) notice of sale with respect to any lien or deed of trust or mortgage (as appropriate) on the Property; or (c) information or notice that the Property is to be sold or foreclosed upon by a party holding a lien on the Property.
- 5.4 **No Violations.** You have no knowledge of or information concerning any violations of any laws, regulations, zoning ordinances or other land-use regulation proceedings relating to the Property and no knowledge that any operations or activities upon, or use or occupancy of the Property, or any portion of the Property, by you or others are not, have not been or will not be in all material respects in compliance with all state, federal and local laws, zoning ordinances, and regulations.
- 5.5 **Environmental Matters.** You have no knowledge of or information concerning any violation of, or claim of violation of any state, federal or local environmental law or regulation, including, without limitation, those relating to hazardous materials ("**Environmental Laws**"). In addition, you have no knowledge of the presence of any hazardous materials on, in, or about the Property or property in the vicinity of the Property. You shall not, and shall not allow others to, violate any laws or regulations relating to the Property or perform any activities upon, or use or occupy the Property, or any portion of the Property, in any manner that violates any Environmental Law.
- 5.6 **Documentation and Information Supplied by Owner; Financial Condition of Owner.** Your application to Point and all financial and other documentation and other information (including

documentation and information about the Property) supplied or made available by you or your spouse, if applicable, as part of applying for, or in connection with entering into, the Option and the Option Documents is truthful, complete, not misleading, and fairly and accurately reflects your (and, if applicable, your spouse's) financial condition as of (a) the date supplied, and (b) the Effective Date of this Agreement. There has been no material change in your financial condition as of the Effective Date since your application to Point.

- 5.7 **Conflict; Enforceability.** You represent and warrant that: (a) the execution and delivery of the Option Documents, the incurrence of the obligations set forth in those documents, the consummation of the transactions contemplated by, or compliance with the terms of, those documents, will not conflict with, or result in a breach of, any of the terms, conditions or provisions of, or constitute a default under, any note or other evidence of indebtedness or any contract, indenture, mortgage, deed of trust, loan, agreement, lease or other agreement or instrument to which you are a party or by which any portion of the Property may be bound; and (b) the Option Documents and all other documents required to be executed by you in connection with those documents shall be valid, legally binding obligations of, and enforceable against, you and, if applicable, Trustor(s) and any successors or assignees in accordance with their terms.

Section Six: Defaults and Remedies For Default

- 6.1 **Events of Default.** The occurrence of any of the following shall constitute an Event of Default ("Event of Default") under the Option Documents, in Point's sole discretion:
- (a) you breach or fail to perform any obligation or covenant under any of the Option Documents (including but not limited to any failure or refusal to honor Point's Rights, or failure to respond to any inquiries from Point), or reject or take any action to terminate the Option or this Agreement, except as expressly permitted under this Agreement;
 - (b) you fail to timely provide to us any Notice(s) required under this Agreement;
 - (c) you make any representation or warranty, whether oral or written, to us that is false or misleading as of the time given, including, without limitation, any misrepresentation or suppression of material fact in connection with the amount or kind of consideration given to you in any Property Sale and the representations and warranties in Section 5;
 - (d) any event of your insolvency, including but not limited to the commencement of any voluntary or involuntary bankruptcy proceeding by or against you or the appointment of a receiver for the Property or you or a conservator of your affairs;
 - (e) any taxes or assessments on the Property become delinquent;
 - (f) the Transfer or attempted Transfer of the Property, or any interest in the Property, by you, except in accordance with the provisions of this Agreement;
 - (g) any senior lien that does not have our prior written approval attaches to the Property;
 - (h) any loans that are secured by liens on the Property, whether recorded or unrecorded, become delinquent (whether or not such loans or liens have been approved or subordinated to by Point);

- (i) you fail to maintain, preserve or repair the Property in good repair and in a condition substantially similar to its condition on the date of this Agreement, except for normal wear and tear;
- (j) insurance on the Property is not maintained as prescribed in this Agreement;
- (k) any assignment, attempted assignment, or other transfer of the Option or Option Documents in violation of Section 7.7.2 below;
- (l) if no Owner or no renter authorized by the Owner uses the Property as regular living and sleeping quarters for more than 730 consecutive days; provided that any non-occupancy due to renovation on the Property will not be counted against such two-year period;
- (m) the Property becomes subject to a lease or rental agreement that extends beyond the Expiration Date;
- (n) you fail to cooperate with us, which we will determine in our sole discretion, to effect a Property Sale before or after Option Exercise as of Expiration Date or Option Exercise After Default; or
- (o) any other action or event occurs which has, or may reasonably be expected to have, a material adverse effect on the Property, the value of the Property, Point's right to exercise the Option or Point's Rights.

6.2 Remedies Following Event of Default. In an Event of Default, Point may exercise any of the following remedies and any other rights and remedies available to us in law, equity or otherwise:

- 6.2.1 Exercise Option and Receive Point Proceeds.** As provided in Section 2.3, upon the occurrence of any Event(s) of Default, we shall have the right, but not the obligation, (a) to exercise the Option and take joint ownership of the Property with you and (b) then solicit and to sell the entire Property, including your interest therein, to one or more third parties in a Property Sale, and receive our Point Proceeds in connection with such Property Sale.
- 6.2.2 Foreclosure/Power of Sale Under State Laws.** Point shall be entitled, in its sole discretion, to exercise Point's power of sale under the Security Instrument, and to foreclose upon the Property to the extent permissible under applicable law. Point shall follow and be bound by those procedures prescribed under law for foreclosure of residential real property established in the jurisdiction where the Property is located. In the event Point elects to exercise the power of sale and foreclose on the Property under the Security Instrument and in this Section 6.2.2, Point may declare any and all of the sums specified as Liquidated Damages immediately due and payable by delivery of the notice(s) specified in the Security Instrument.
- 6.2.3 Damages for Breach.** We shall be entitled, in our sole discretion, but are not obligated to, demand damages for any Event(s) of Default, calculated according to the Calculation of Point Proceeds set forth in Schedule 2.
- 6.2.4 Specific Performance, Rescission and Injunctive Relief.** You and we agree that if we are not allowed to exercise our rights under any of the Option Documents, or if you fail to comply with your obligations thereunder, the damages to us would be irreparable and extremely difficult to estimate, making money damages or any remedy at law inadequate. Thus, in addition to any other rights and remedies available to us in law, equity or otherwise, we shall be entitled to seek specific performance of the covenants, agreements and rights contained in each of the Option Documents, or, as permitted by applicable law, to seek full

rescission of this Agreement. You and we further agree and acknowledge that a violation or threatened violation of this Agreement by you is likely to cause irreparable injury to us and that, in addition to any other remedies that may be available, in law, in equity or otherwise, we shall thereafter be entitled to obtain immediate and other injunctive relief against the threatened breach of this Agreement or the continuation of any such breach by you, without the posting of a bond or the necessity of proving actual damages.

- 6.3 **Repayment in Bankruptcy.** In the event we are required to and do remit or disgorge one or more dollars paid by you pursuant to this Agreement as a preference claim in a bankruptcy proceeding involving you, then Point shall be entitled to assert a claim against you for each such dollar remitted (and permitted costs herein) under the terms and conditions of this Agreement, and such claim by us shall begin to accrue on the date such dollar is actually remitted and shall automatically survive the term of this Agreement.
- 6.4 **Calculation of Liquidated Damages.** To the extent that enforcement of the Security Instrument and any power of sale granted under the Security Instrument require specification of an amount in default or liquidated bid amount, Owner and Point agree and acknowledge that the damages that would arise from Owner's (or Owner's executor's) default(s) as specified in this Section 6 may be uncertain, depend on many factors, and be extremely difficult to ascertain, and that a good faith effort to determine a method for reasonably estimating and liquidating such damages is the calculation of Liquidated Damages according to the Calculation of Point Proceeds set forth in Schedule 2. The amount in default or liquidated bid amount under any remedy may also include all, or any, of the following: (i) the sum of all monetary obligations owed to us by you under this Agreement; and (ii) any and all amounts, properly chargeable to you as necessary to satisfy your obligations with respect to your mortgage, tax and insurance obligations on the Property, including late fees, reinstatement fees and other penalties.
- 6.5 **Remedies Concurrent and Not Exclusive.** The remedies set forth in this Section 6 shall be concurrent, cumulative and not exclusive, to the extent permitted by law. Every right, power and remedy granted to Point in the Option Documents shall be in addition to all those rights, powers and remedies granted to Point at law or in equity or by statute, and each such right, power and remedy may be exercised from time to time and as often and in such order as may be deemed expedient by Point to the extent permitted by law, and the exercise of any such right, power or remedy shall not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right, power or remedy.

Section Seven: Miscellaneous

- 7.1 **Indemnification by Owner and Maximum Liability.** You hereby agree to defend, indemnify and hold Point harmless from, and against, any and all claims, damages, liabilities, actions and expenses (including, without limitation, attorneys' fees, to the extent permissible) of every kind arising out of or relating to: (a) a breach of any of your representations or warranties under this Agreement or the other Option Documents; (b) any act or omission by you or your agents; or (c) the Property. Notwithstanding your indemnification obligation under this Section 7.1, at our election, we may defend any third party claim subject to your indemnification obligation with counsel of our own choosing and without your participation. You shall not, without our prior written consent, settle or compromise any claim or consent to the entry of any judgment regarding which indemnification is owed to us. WITHOUT LIMITING OWNER'S INDEMNIFICATION OBLIGATION, IN NO EVENT SHALL POINT'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO

THIS AGREEMENT OR THE PROPERTY EXCEED THE AMOUNT OF THE INVESTMENT AMOUNT.

- 7.2 **Asset Administration.** You acknowledge and consent to any assignment whereby the Asset Administrator's responsibilities, including, but not limited to, the right to enforce the Option Documents, are transferred from us to a third party. You will be notified of any change in the Asset Administrator within 30 days of such change.
- 7.3 **Covenants to Run With Land.** The provisions of this Agreement shall be deemed to be covenants running with the land so long as this Agreement remains in effect. We shall record a Notice of Option Purchase Agreement reflecting this fact in the public records. Upon valid termination of this Agreement, the Notice of Option Purchase Agreement shall automatically terminate, and we shall cause to be recorded such documents as are required to reflect such termination.
- 7.4 **Relationship.** Point shall not be deemed a partner, joint venturer, trustee, or fiduciary with, or of, Owner. Owner shall not be permitted to execute any document or enter into any agreement on behalf of Point. The Option is intended to be and shall be treated for all purposes (including, without limitation, tax purposes) as an option to purchase real property and not as a purchase, or joint venture.
- 7.5 **Multiple Owners and Revocable Trusts.**
- 7.5.1 **Multiple Owners.** If Owner is more than one person or entity: (i) the Option Documents must be signed by each such Owner; (ii) all rights and powers specified for Owner in the Option Documents must be approved and exercised unanimously by all such multiple Owners; (iii) all such multiple Owners shall be jointly and severally liable for all liabilities and obligations specified for Owner under the Option Documents; (iv) notice required to be given by, or to, an Owner shall be deemed adequately given if given by, or to, any of Owners using the contact information set forth in Section 7.13; and (v) Point may treat any notice received from any one Owner as notice from all Owners.
- 7.5.2 **Revocable Trusts.** If any Owner is/are the Trustor(s) or Trustee(s) of a Revocable Trust: (i) all Trustors must sign the Option Documents in their capacities as individuals and as Trustors; (ii) all Trustees must sign the Option Documents in their capacities as Trustees; (iii) each Trustee and Trustor who signs this Agreement hereby represents and warrants that all Trustees and Trustors have been disclosed to Point; (iv) all rights and powers specified for, and all actions required of, Owner in the Option Documents must be approved and exercised by all Trustees unanimously; (v) all Trustors, in their capacities as individuals, shall be jointly and severally liable with Owner for all liabilities and obligations specified for Owner under the Option Documents; (vi) all representations and warranties by Owner in the Option Documents are made by all Trustees on behalf of the Revocable Trust and by all Trustors in their capacities as individuals; (vii) notice required to be given by, or to, an Owner shall be deemed adequately given if given by, or to, any of the Trustees using the contact information set forth in Section 7.13 of this Agreement; and (viii) Point may treat any notice received from any one Trustee as notice from all Trustees and from Owner.
- 7.6 **Delegation of Duties.** We may execute any of our duties under this Agreement or any other Option Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties and any actions taken on the basis of such advice from counsel shall be deemed to have been taken in good faith. We shall not be responsible for the negligence or misconduct of any agent, employee, or attorney-in-fact that we select as long as our selection was made without gross negligence or willful misconduct.

- 7.7 **Successors and Assignees; Owner's Estate.** The Option Documents shall be binding upon and insure to the benefit of Owner and Point and their respective heirs, successors and assignees. If the Owner dies, then the Option Documents shall be binding on the Owner's Estate. The death of the Owner shall not terminate any of the Option Documents. However, nothing in this provision shall permit assignment of any of the Option Documents contrary to the express provisions of this Agreement.
- 7.7.1 **Assignment by Point.** Point may assign, participate, hypothecate or sell, in whole or in part, Point's right and title to, and interest in, any of the Option Documents at any time and to any person or entity without prior notice to, or consent of, Owner. In connection with any assignment, Point may in its sole discretion disclose any and all documents and information in its possession relating to Owner and the Property, subject to its assignee's agreement to continue to observe Point's policies regarding privacy and disclosure of personal and financial information and applicable privacy laws. Upon such assignment, Point's assignee shall automatically have all the rights and remedies of Point under the Option Documents. Point and Owner shall execute and deliver in recordable form, if requested, at Point's expense, such other documents as are appropriate to reflect the assignment of the Option and the other Option Documents. Point and Owner agree to cooperate with such assignee and execute such additional documents as may be necessary to insure assignee's interest in the Property. Point shall notify Owner no later than 60 Business Days after the effective date of any such assignment.
- 7.7.2 **Assignment of Agreement by Owner.** Absent Point's prior written consent, which consent may be withheld in Point's sole discretion, Owner may not assign or otherwise transfer any of the Option Documents. Notwithstanding the foregoing, Point will generally not unreasonably withhold consent to such assignment to: (i) the Trustee(s) of a Revocable Trust in which Owner is the sole Trustor (or if Owner is more than one person, together they constitute all of the Trustors); or (ii) Owner's spouse who acquires an undivided interest in the Property; provided that in each case the assignee (including, in the case of a Revocable Trust, any Trustor): (A) was alive as of the Effective Date, (B) executes this Agreement and, if applicable, the Notice of Option Purchase Agreement, and (C) executes such assignment with the assignor (hereinafter, "**Exempted Owner Assignment(s)**"). In the event of an Exempted Owner Assignment to the Trustee(s) of a Revocable Trust, the original Owner (i.e., the Trustor(s)), jointly and severally, shall continue to remain liable under the Option Documents.
- 7.7.3 **Exempted Owner Property Transfer.** If Owner obtains Point's prior written consent, the Owner may Transfer the Property into the name of (i) the Trustee(s) of a Revocable Trust in which Owner is the sole Trustor (or if Owner is more than one person, together they constitute all of the Trustors); or (ii) Owner's spouse; provided that the requirements for an Exempted Owner Assignment under Section 7.7.2(A) – (D) are met (an "**Exempted Owner Property Transfer**"). An Exempted Owner Property Transfer will not be considered a Property Sale and will not trigger Point's right to exercise the Option.
- 7.8 **Survival.** The following provisions shall survive any termination of this Agreement: (a) the indemnification and liability cap provisions of Section 7.1; (b) the obligations to repay any and all Preservation Payments and Service Fees; (c) the obligation to remove any liens on the Property and pay any Sales Commissions, Closing Costs and or other expenses properly chargeable to Owner under Section 2; (d) any and all provisions which entitle Point to monetary remedies, fees, costs and expenses in connection with any Event of Default under Section 6; and (e) Sections 7.6 through 7.22 of this Agreement.

- 7.9 **Injunction.** If we are stayed or enjoined from exercising the Option, commencing or initiating Option notice and exercise procedures hereunder (whether as a result of Owner's bankruptcy or otherwise), or enforcing any right of Point under this Agreement, the Option shall not expire until 90 Business Days after such stay or injunction is lifted by a final order of the appropriate court. Any deadline or notice period prescribed in the Option Documents which we are prevented or prohibited from observing by operation of law or by court order, shall automatically be stayed for the duration of such stay, injunction or legal prohibition until such stay, injunction, or legal prohibition is no longer applicable or is lifted by final order of the appropriate court.
- 7.10 **Choice of Law; Venue.** The Option, this Agreement and the other Option Documents shall be determined under, governed by, and construed in accordance with California law, without regard to its conflict of law principles; provided, however, that to the extent the mandatory provisions of the laws of another jurisdiction relating to (a) the perfection or the effect of perfection or non-perfection of any lien or other right, title and/or interest in the Property, or (b) the availability of and procedures relating to any remedy hereunder or related to this Agreement are required to be governed by such other jurisdiction's laws, such other laws shall be deemed to govern and control. Subject to Section 7.20, the parties agree that all actions or proceedings arising in connection with this Agreement shall be arbitrated at a JAMS arbitration location, or injunctive relief sought only in the state and federal courts located in or having jurisdiction in the city or county in which the Property is located.
- 7.11 **Further Assurances.** You agree as and when requested by Point or by our agents, successors, or assignees to: (a) execute and deliver, or cause to be executed and delivered, all Option Documents; (b) take, or cause to be taken, all such further or other actions as may be reasonably necessary or desirable in order to implement the provisions and otherwise to effect the intent and purposes of the Option Documents; and/or (c) cooperate fully in the correction, adjustment, revision, or completion of any documents executed by you or Point.
- 7.12 **Severability; Waivers.** Each provision of this Agreement, and of the other Option Documents, shall be severable from every other provision for the purpose of determining the legal enforceability of any provision, which shall be construed separately and as separately enforceable from every other provision hereunder. No waiver by Point of any of its rights or remedies in connection with this Agreement or the other Option Documents shall be effective unless such waiver is in writing and signed by Point and Owner, and then any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No delay or waiver by Point in exercising any right shall be construed as continuing, as a bar to, or as a waiver or release of, any subsequent right, remedy or recourse. To the extent that enforcement of any provision, or exercise of any right, under this Agreement or the other Option Documents is held to be invalid or stayed or enjoined by a court of competent jurisdiction, then such provision shall be considered separately and apart from the remaining provisions, and any and all other remaining provisions shall continue to be fully enforceable under law.
- 7.13 **Notice.** Each party shall deliver all notices, requests, consents, claims, demands, waivers and other communications under this Agreement (each, a "**Notice**") in writing to the address of the other party listed below, unless a party has been notified by the other party in writing of a substitute address. Owner shall promptly notify Point of Owner's change of address. Notice to any one Owner shall constitute notice to all Owners unless applicable law expressly requires otherwise. Notice from any one Owner shall constitute notice from all Owners unless applicable law expressly requires otherwise. Each party shall deliver all Notices by first class mail, personal delivery, nationally recognized overnight courier (with all fees prepaid), facsimile or e-mail (with confirmation of transmission). Except as otherwise provided in this Agreement, a notice to Owner

in connection with this Agreement shall be deemed to have been given to Owner when mailed by first class mail or when actually delivered to Owner's notice address if sent by other means. Any notice in connection with this Agreement shall not be deemed to have been given to Point until actually received by Point. If any notice required by the Security Instrument is also required under applicable law, such requirement of the applicable law will satisfy the corresponding requirement under this Agreement.

- 7.14 **Entire Agreement; Amendment.** The Schedules and exhibits referenced, and any riders to this Agreement, are incorporated herein by this reference. This Agreement, the Notice of Option Purchase Agreement, the Security Instrument, and the other written agreements made by and between Owner and Point as of the Effective Date together constitute the entire agreement between the parties pertaining to the subject matter contained in them. Except as expressly agreed in writing, all prior agreements, understandings, representations, warranties, statements, and negotiations between the parties, if any, whether oral, electronic or written, relating to the Property, the Option, this Agreement, the other Option Documents, and the transaction which is the subject matter thereof, including but not limited to any and all offer letters, terms sheets and draft and earlier versions of settlement statements and other documents and agreements, are superseded and merged into this Agreement. No supplement, modification or amendment of this Agreement shall be binding unless in writing and executed by the party against whom enforcement is sought.
- 7.15 **No Third-Party Beneficiaries.** This Agreement and the other Option Documents are entered into for the protection and benefit of Point and Owner and their respective heirs, permitted successors, affiliates and assignees with regard to their respective present and contingent ownership interests in the Property. No other Person shall have any rights or causes of action under this Agreement or the other Option Documents.
- 7.16 **Counterparts; Electronic Signatures.** This Agreement and the other Option Documents may be executed in counterparts, each of which when so executed shall be deemed an original, but all such counterparts shall constitute one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement. The words "execution," "signed," "signature," and words of like import in this Agreement shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity, or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law,

including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

4. Assignment of Leases and Rents. Mortgagor hereby absolutely and unconditionally assigns to Mortgagee all of Mortgagor's right, title and interest in and to all current and future Leases and Rents; it being intended by Mortgagor that this assignment constitutes a present, absolute assignment and not an assignment for additional security only.

6. Power of Attorney. Mortgagor hereby irrevocably appoints Mortgagee as Mortgagor's attorney-in-fact (such agency being coupled with an interest). As such attorney-in-fact Mortgagee may, after providing notice to Mortgagor pursuant to the Option Agreement (without the obligation to do so) in Mortgagee's name, or in the name of Mortgagor, prepare, execute and file or record financing statements, continuation statements, applications for registration and like documents necessary to create, perfect or preserve any of Mortgagee's security interests and rights in or to any of the Property, and, upon a default under this Security Instrument, take any other action required of Mortgagor; provided, however, that Mortgagee as such attorney-in-fact shall be accountable only for such funds as are actually received by Mortgagee.

The notice shall further inform Mortgagor of the right to cure after acceleration and the right to bring an action to assert in the foreclosure proceeding the non-existence of a default or any other defense of Mortgagor to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Mortgagee at its option may require immediate performance in full of all obligations secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceedings. 10. Defeasance. If Mortgagor shall well and truly satisfy all Obligations secured hereby at the time and in the manner provided in this Security Instrument and in the Option Agreement, and Mortgagor shall well and truly abide by and comply with each and every covenant and condition set forth in this Security Instrument and in the Option Agreement, then these presents and the lien and interest hereby transferred and assigned shall cease, terminate and be void. Mortgagee shall release the Property and renounce any other rights granted to it herein and shall execute, at the request of the Mortgagor, a release of this Security Instrument and any other instrument to that effect deemed necessary or desirable, upon performance being made on the Obligations secured hereby.

8. Allocation Where Repair Not Feasible. Section 4.4.2 (Allocation Where Repair Not Feasible) of the Option Agreement shall be amended and restated in its entirety as set forth below:

If any loss occurs in connection with the Property, and restoration or repair is not economically feasible, you shall obtain an Appraisal, provided that the appraiser shall be instructed to determine the value of the Property as it existed immediately prior to the destruction or damage. Any and all insurance proceeds, whether or not the underlying insurance was required by us, will be allocated in the following order: (a) to payment (or reimbursement) of reasonable costs and expenses (including, without limitation, attorneys' fees that have been approved by us) reasonably incurred by you, the Association, a senior lender and/or Point in collecting and contesting with the insurers the payments under the relevant insurance policies; (b) to payment of all Senior Loans, provided that, if the insurance proceeds equal or exceed the amount owed under such Senior Loans, such payment shall result in the discharge of the related Senior Liens; (c) to the Association as provided in the Governing Documents; (d) to us, an amount calculated according to the Calculation of Point Proceeds set forth in Schedule 2 of the Option Agreement; and (e) to you, the balance of the proceeds.

9. Failure to Maintain Adequate Insurance. Section 4.4.3 (Failure to Maintain Adequate Insurance) of the Option Agreement shall be amended and restated in its entirety as set forth below:

If (a) you fail to maintain insurance (excluding insurance to be carried by the Association) in amounts required by Section 4.1.1 of the Option Agreement, you fail to take actions required under Section 4 of the PUD Rider with respect to insurance to be carried by the Association, or any insurance claim is denied due to your action or inaction, and (b) the insurance proceeds from any loss are not sufficient to pay to us the entire amount owed as set forth in Section 4.4.2 of the Option Agreement, then there shall be an Exercise Payment Insurance Reduction proportional to the decrease in the Property's value as compared to the Appraised Value of the Property immediately prior to the destruction or damage. In this case, we may exercise the Option (if we have not already done so) and sell the Property in its then-current state according to the procedure set forth in Section 2.3 of the Option Agreement, except that the Exercise Payment shall be reduced because of the added economic burden and risk imposed on Point by virtue of your failure. The Exercise Payment Insurance Reduction shall be taken into account in the calculation of Point Proceeds. The proceeds of any sale pursuant to Section 4.4.3 of the Option Agreement, together with any and all available proceeds from any and all insurance policies (whether or not the underlying insurance was required by us or whether the insurance proceeds come from the insurance maintained by the Association), will be allocated as described in Section 4.4.2 of the Option Agreement.

10. Capacity; Authority. The first two sentences of Section 5.2 (Capacity; Authority) of the Option

Agreement shall be amended and restated in their entirety as set forth below:

You represent and warrant that you, as the Owner(s) identified above, individually and collectively, appear on record title of the Property as holding fee simple title to 100% of Owner's Home and are a member of the Association (as defined in the PUD Rider) which gives you a right or easement to use the Common Elements of the Property. Other than as provided in the Governing Documents, your fee simple title to the Property is marketable and insurable, free of restrictions, leases, liens and other encumbrances or interests, and except as specifically identified in the Confirmation of Title delivered to Point, except with respect to Acknowledged Pre-Existing Liens and Approved Subsequent Liens.

11. Documentation and Information Supplied by Owner; Financial Condition of Owner. In addition to the documentation and information described in Section 5.6 of the Option Agreement, you are also required to supply to us any documents that you would be required to provide before a transfer of title or execution of a real property sales contract pursuant to the Governing Documents. Without limiting the foregoing, such documents and information shall include: (a) copy of the Governing Documents; (b) copy of the Association's legally-required, most recent financial statement, if applicable; (c) statement from authorized representative of the Association regarding any assessments; and (d) copy of any notices previously sent to you from the Association regarding any violation by you of the Governing Documents which remains unresolved.

12. Conflict; Enforceability. You represent and warrant that the execution and delivery of the Option Documents, the incurrence of the obligations set forth in the Option Documents, the consummation of the transactions contemplated by, or compliance with the terms of the Option Documents, will not conflict with, or result in a breach of, any of the terms, conditions or provisions of, or constitute a default under, the Governing Documents.

13. Events of Default. In addition to the Events of Default listed in Section 6.1 of the Option Agreement, each of the following shall constitute an Event of Default under the Option Documents, in Point's sole discretion: (a) failing to pay any Association due or assessment when due; (b) if the Association provides notice to you that it intends to put a lien on Owner's Home for delinquent dues or assessment of other permitted reasons under the Governing Documents; and (c) your material violation or breach of the Governing Documents.

14. No Third-Party Beneficiaries. For clarification purposes, the Association shall not be a third-party beneficiary of the Option Documents and the Association shall not have any rights or causes of action under the Option Documents.

15. Point's Prior Consent. You shall not, except after notice to us and with our prior written consent, consent to (a) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain or (b) termination of professional management and assumption of self-management of the Association.

16. PUD Rider Controls. In the event of any conflict between a provision of this PUD Rider and the Option Documents, the terms of this PUD Rider shall control.

Instructions to Notary Agent for the document entitled "About My Point Agreement"

Please give each homeowner and spouse (if applicable) his or her copies. Names are printed at the top of the documents.

Each recipient shall initial each line as indicated. There are 10 lines to initial. The initialed copies must be returned to Point Digital Finance.

Each recipient shall receive 1 copy to keep.

About My Point Agreement

This document summarizes some of the key terms in the Point Agreement. Please initial each item, but keep in mind that the Point Agreement is the legally binding contract.

I understand...

 I am responsible for paying my mortgage(s), property taxes, and insurance. If I do not, I will be
Initials in default on my Point Agreement and Point may foreclose on my home.

 I am responsible for any of my debts that are not paid off with the funds received from Point.

 I am not permitted to take out loans on my home whose repayment would take priority over
Initials my repayment to Point. This includes PACE or HERO loans. I must get Point's written permission before taking out any loan against my home. However, if the loan's purpose is to repay Point, I do not need permission.

 Point is **not** buying part of my home today. Instead, Point is buying the right to 30.20% of my
Initials home's future change in value. This right is called the "option."

 When I am ready to repay Point, Point will determine my home's change in value by
Initials subtracting the Appreciation Starting Value from the Final Home Value. To determine the Appreciation Starting Value, Point lowered the assessed value of my home by 27.00%. This is called the risk adjustment. The Appreciation Starting Value for my home is \$218,270.00. To determine my home's Final Home Value, Point will use my home's sale price, a final appraisal, or AVM (except in some cases of default).

 My repayment amount will be the **lesser** of two amounts. The first amount is the sum of the
Initials funds I receive from Point plus Point's share of my home's change in value. The second amount (referred to as the Capped Repayment Amount) is the result of applying an annual rate, 17.50%, compounded monthly, to the funds I receive from Point. This rate is called the Homeowner Protection Cap and protects me in case my home greatly increases in value. I can use the Cost Estimator that came with my offer to estimate my repayment amount.

 If my home value increases, my repayment amount will also increase, up to the Capped
Initials Repayment Amount. Even if my home value does not increase, my repayment amount may increase over time. This is because the Appreciation Starting Value is less than my home's current assessed value.

 I must repay Point within 30 years. Homeowners usually repay Point by selling their home,
Initials refinancing their mortgage, or taking out a new home equity loan. The repayment is a one-time paid-in-full event. Point does not accept partial payments.

 If I repay Point by selling my home, I must pay all costs associated with the sale. At that time, I
Initials must pay off my mortgage and any other liens.

 Lenders may not be willing to refinance my mortgage unless I also repay Point.

Appraisal

Your property was appraised. Point will give you a copy of the appraisal at no additional cost at least 3 days before closing. If you have not yet received it, please contact Point.

Option Agreement

To finalize Point's purchase of the option, you and Point will sign a separate Option Agreement. This Option Agreement will include information about:

- option exercise triggers, including in the event of a default
- details on how Point Proceeds will be calculated, including the Capped Repayment Amount which may limit the amount you will owe to Point upon your repurchase or Point's exercise in connection with a Property Sale
- your obligations to maintain insurance and provide information to Point upon request
- limitations on your ability take out additional loans on the Property
- details on your obligations to pay the Debt Payoff Amount
- Point's right to make Preservation Payments to protect the Property in the event you fail to take required actions under the Option Agreement

Point Proceeds

- When the Property is sold after Point exercises its option or when you repurchase the option during or at the end of the term, you will pay Point the initial Investment Amount plus Point's percentage of the appreciation calculated as of the repurchase date. The Point Proceeds will be subject to the Homeowner Protection Cap. If the Final Home Value is less than the Appreciation Starting Value, the amount you pay Point may be less than the Investment Amount.
- No adjustments will be made to the Point Proceeds to exclude gains from renovations or other property improvements made during the term.
- In the event of a depreciated sale of a Property bearing a mortgage (i.e., the Final Home Value is less than the Appreciation Starting Value of the Property), any remaining funds available from the sale after the mortgage has been repaid may be due to Point to pay the Point Proceeds.
- In the event that you have not sold the Property before the end of the term of the Option Agreement, you may repurchase Point's fractional interest in your Property. If you do not repurchase Point's interest at the end of the term, Point may exercise the option and initiate a sale process.

Security Interest

If you sign the Option Agreement, you will grant a security interest in:

104 DIPLOMA DR, LADSON, SC 29456

You may lose this Property if you do not satisfy the obligations of the Option Agreement.

Disclosure Version: Closing Disclosure rev. 1: Final, not subject to change

The following information pertains to your shared appreciation transaction and the amount you will pay at the termination of your Agreement (this may be referred to in your Agreement as settlement), which, if your Agreement is terminated when you sell your home, may include some or all of the sale proceeds. The terms of this transaction are different from those of a traditional mortgage loan. Please review this disclosure, as well as your Agreement, thoroughly. If you do not understand any of the terms, you should speak with a financial professional of your choosing.

You are not required to complete this Agreement merely because you have received these disclosures or have signed an application. If you obtain this Home Equity Investment (HEI), Point will place a lien on your home to secure your performance of the underlying Agreement. You could lose your home and any money you have put into it if you do not meet your obligations under the HEI. You may wish to consult an attorney.

Please refer to the terms and definitions outlined in your Closing Disclosure for important details regarding your Home Equity Investment (HEI).

REPAYMENT TERMS

When you repay your HEI, you will pay Point the lesser of 1) the Investment Amount plus Point's share of your home's appreciation (the HEI Percentage) between the Appreciation Starting Value and the Final Home Value and 2) the amount calculated based on the Homeowner Protection Cap, each subject to any applicable state law. The repayment amount will also include any applicable appraisal, reconveyance, and/or recording fees.

Investment Amount	Cash to You at Closing <small>(Investment Amount minus processing fee, 3rd party fees, and debt payoffs paid at closing)</small>	HEI Percentage	Appraised Value <small>(Current estimated fair market value of your home, see below for methodology)</small>	Appreciation Starting Value	Homeowner Protection Cap	HEI Term
\$30,000	\$27,649	30.2%	\$299,000	\$218,270	17.5%	30 years

Appraised Value Method: AVM (Automated Valuation Model)

The method selected above is used to estimate the current fair market value of your home. The current estimated fair market value may not represent the actual value of the home and may be lower than the actual price you would receive if your home were sold today. This may result in a higher Final Payment.

Agreement Type: Point's HEI shares in the change in your home's value above or below the Appreciation Starting Value. The Investment Amount is added to Point's share of your home's appreciation or depreciation between the Appreciation Starting Value and the Final Home Value to determine the Appreciation Based Repayment Amount (see the tables of the Final Payment Examples below). The percentage that Point shares is the HEI percentage.

HEI Percentage: 30.2% equals the percentage of your home's change in value from the Appreciation Starting Value to the Final Home Value that Point will be entitled at the termination of your Agreement, subject to any limitations in your Agreement.

Final Payment Calculations: Your Agreement will typically terminate when you decide to sell your home or, at your

option, terminate your Agreement without a sale (this may be referred to as buying out or buying back the Agreement), subject to the maximum term of 30 years. Your specific termination conditions are specified in your Agreement. At the end of the Agreement, a Final Payment will be made out of your home's sales proceeds or separately if you choose and calculated as follows:

- **Appreciation Starting Value:** A 27.0% discount is being applied to your home's Appraised Value so a discounted value of \$218,270 will be used as the Appreciation Starting Value when calculating your home's change in value.
- **Final Home Value:** The value of your home at the time of termination. This Final Home Value will be determined by a sales contract, AVM, or other appraisal method outlined in your Agreement. If you sell your home, the sales contract price will be used as the Final Home Value as long as the sales contract is an arms-length sale, the home was not sold as part of a foreclosure, and you did not retain an interest in the home, including an interest as a life estate.
- **Change in Home Value:** Change in Home Value equals the Final Home Value minus the Appreciation Starting Value.
- **Final Payment:** Final payment will equal the Investment Amount of \$30,000 plus (or minus, if negative) the HEI Percentage of the Change in Home Value. Your Agreement limits the maximum Final Payment based on the Homeowner Protection Cap. The Homeowner Protection Cap is an annual rate, compounded monthly, that is applied to the Investment Amount to determine the Capped Repayment Amount. The Capped Repayment Amount will increase every day until you pay off your Agreement. However, you will only pay the Capped Repayment Amount if it is lower than the Appreciation Based Repayment Amount. The Capped Repayment Amount is typically the lower value in the first few years of the Agreement.

BECAUSE THE APPRECIATION STARTING VALUE IS LESS THAN THE CURRENT APPRAISED VALUE OF YOUR HOME TODAY, YOUR FINAL PAYMENT MAY BE GREATER THAN THE INVESTMENT AMOUNT EVEN IF THE FINAL HOME VALUE IS LESS THAN THE CURRENT APPRAISED VALUE. Your settlement calculation will show appreciation if the Final Home Value exceeds \$218,270.

Interest Charged: You will share a portion of your home's change in value, but no interest will be charged on the Investment Amount and there will be no monthly payments due.

Tax Implications: This transaction may result in tax implications, so consult with a qualified tax professional to

understand any tax consequences.

Final Payment Examples: The following tables contain examples of amounts that may be required to satisfy your obligation at the termination of the Agreement depending upon the change in value of your home. The estimates of your repayment are based on 5, 10, 15, and 30 year periods. The appreciation examples use annual rates that range from 0% to 5.5%, compounded annually. There is a depreciation example in the event your home has lost value at the time of repayment. THESE ARE EXAMPLES ONLY; YOUR ACTUAL FINAL PAYMENT AMOUNT COULD BE HIGHER OR LOWER THAN THE ESTIMATED REPAYMENT AMOUNTS SHOWN HERE.

POINT DIGITAL FINANCE, INC HOMEOWNER AGREEMENTS

When you sell Point the right to acquire a fractional interest in your equity in your home, you will sign and deliver two documents that make up the Point Homeowner Agreements: the Point Option Purchase Agreement and the Security Instrument.

1. **Point Option Purchase Agreement:** This is the main agreement between you and Point, and sets forth the financial terms of the deal (summarized in Section 1.1), restrictions applicable to you, your responsibilities with respect to the Property, your right to buyback Point's interest in your Property by repurchasing Point's option during the agreement term, triggering events for Point exercising its option, and other rights of Point.

Some important financial terms:

- There are no monthly payments; no interest accrues.
- The amount of additional debt you may be able to take out on the Property will be subject to Point's approval.
- When you repurchase the option during the agreement term or the Property is sold in connection with your repurchase or after Point exercises its option, you will pay to Point the amount of the initial payment you receive now plus Point's percentage of the appreciation. If the Final Home Value is less than the Appreciation Starting Value of the Property, the amount you will pay Point may be less than the initial payment you receive now. The total amount you will owe to Point is subject to a cap, which is calculated based on the length of time between the dates you sign the Point homeowner agreements and Point receiving your payment.
- If the Property has depreciated when you sell it (i.e., the Final Home Value is less than the Appreciation Starting Value of the Property), any remaining funds available from the sale after your mortgage has been repaid may be due to Point to pay the amount owed. Point, however, has no further recourse against you or your personal assets.
- In the event you have either not sold the Property or repurchased the option before the expiration of the agreement term, Point may exercise the option and initiate a sale process.

2. **Security Instrument:** The Security Instrument (also called a Deed of Trust or Mortgage) is filed in the public records of the county where the Property is located in order to "perfect" Point's security interest in the Property. You grant Point a security interest in the Property that would permit Point to foreclose on the Property in event of your default due to a delinquency on another lien secured by the Property, failure to pay property taxes, failure to maintain insurance on the Property, or bankruptcy, among other defaults, under the Option Purchase Agreement. The Security Instrument is subordinated to any interest your mortgage lender has in the Property.
