Borrowers Escrow Instructions

Closing No: 08-02586663
Borrower(s): KATHLEEN MCCLENON WHAY
Property Address: 609 PROCTOR ST, WALTERBORO, SC 29488-4442
To: Timios, Inc.

The undersigned borrower hands you Executed Loan Documents from Lender together with a HUD-1 Settlement Statement depicting a detailed disbursement of all funds within this Refinance Transaction, and other instructions as presented. You are hereby authorized and instructed to close this Refinance Escrow upon the instruction of the Lender and all written instructions presented; and to disburse all funds from the Escrow in accordance with and pursuant to the HUD-1 Settlement Statement.

Borrower is aware that interest on the existing loan(s) does not stop accruing at close of escrow, but continues until the actual day of receipt of the payoff by Lender. Borrower is also aware that interest will accrue through weekends or holidays. Borrower acknowledges they are responsible for the payment of all such interest and costs associated with any payoff and will indemnify and hold Escrow Holder harmless in connection with the payment of such interest. Borrower is aware that they are responsible for the payment of all Real Property Taxes prior to delinquency and authorize Escrow to pay any such delinquency as required by the Lender. Borrower will immediately deposit necessary funds to cover any such shortage, advance or payment.

In the event an advance is necessary from Escrow prior to close Borrower Agrees they will immediately deposit such amounts necessary to obtain Demand Releases, such as may due, in example, for Lines of Credit and/or Utility obligations.

Borrower authorizes the use of excess funds from all estimated charges to meet the obligations of this refinance transaction.

DEPOSIT OF FUNDS

The law dealing with the disbursement of funds requires that all funds be available for withdrawal as a matter of right by the title entity's escrow and/or sub escrow account prior to disbursement of any funds. Only cash or wire transferred funds can be given immediate availability upon deposit. Cashier's checks, teller's checks and Certified checks may be available one business day after deposit. All other funds such as personal, corporate or partnership checks and drafts are subject to mandatory holding periods which may cause material delays in disbursement of funds in this escrow. In order to avoid delays, all fundings should be wire transferred. Outgoing wire transfers will not be authorized until confirmation of the respective incoming wire transfer or of availability of deposited checks.

All funds received in this escrow shall be deposited with other escrow funds in a general escrow account or accounts of Timios, Inc., with any state or national bank, or savings and loan association (the "depository Institution") and may be transferred to any other such general escrow account or accounts. The parties to this escrow acknowledge that the maintenance of such escrow accounts with some depository institutions may result in Escrow Holder's being provided with an array of bank services, accommodations or other benefits by the depository institution. Escrow Holder or its affiliates also may elect to enter into other business transactions with or obtain loans for investment or other purposes from the depository institution. All such services, accommodations and other benefits shall accrue to Escrow Holder and Escrow Holder shall have no obligation to account to the parties to this escrow for the value of such services, accommodations or other benefits.

Said funds will not earn interest unless the instructions otherwise specifically state that funds shall be deposited in an interest-bearing account. All disbursements shall be made by check of Timios, Inc.. The principals to this escrow are hereby notified that the funds deposited herein are insured only to the limit provided by the Federal Deposit Insurance Corporation. Any instruction for bank wire will provide reasonable time or notice for Escrow Holder's compliance with such instruction. Escrow Holder's sole duty and responsibility shall be to place said wire transfer instructions with its wiring bank upon confirmation of (1) satisfaction of conditions precedent or (2) document recordation at close of escrow. Escrow Holder will NOT be held responsible for lost interest due to wire delays caused by any bank or the Federal Reserve System, and recommends that all parties make themselves aware of banking regulations with regard to placement of wires.

In the event there is insufficient time to place a wire upon any such confirmation or the wires have closed for the day, the parties agree to provide written instructions for an alternative method of disbursement. WITHOUT AN ALTERNATIVE DISBURSEMENT INSTRUCTION, FUNDS WILL BE HELD IN TRUST IN A NON-INTEREST BEARING ACCOUNT UNTIL THE NEXT OPPORTUNITY FOR WIRE PLACEMENT.

Additional Information About This Loan

Loan Disclosures

Assumption

If you sell or transfer this property to another person, your lender

will allow, under certain conditions, this person to assume this loan on the original terms.

will not allow assumption of this loan on the original terms.

Demand Feature

Your loan

has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the principal and interest overdue.

Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

do not have a negative amortization feature.

Partial Payments

Your lender

may accept payments that are less than the full amount due (partial payments) and apply them to your loan.

may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.

does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in
609 Proctor St, Walterboro, SC 29488

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1		Estimated total amount over year 1 for your escrowed property costs:
Non-Escrowed Property Costs over Year 1		Estimated total amount over year 1 for your non-escrowed property costs: You may have other property costs.
Initial Escrow Payment		A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment		The amount included in your total monthly payment.

will not have an escrow account because you declined it your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow		
Estimated Property Costs over Year 1	\$2,235.96	Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee		

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

NOTE

June 9, 2025
[Note Date]

Cleveland,
[City]

Ohio
[State]

609 Proctor St, Walterboro, SC 29488
[Property Address]

1. BORROWER'S PROMISE TO PAY

In return for a loan in the amount of U.S. **\$70,000.00** (the "Principal") that I have received from **CrossCountry Mortgage, LLC, a Limited Liability Company**

(the "Lender"), I promise to pay the Principal, plus interest, to the order of the Lender. I will make all payments under this Note in U.S. currency in the form of cash, check, money order, or other payment method accepted by Lender.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid Principal until the full amount of the Principal has been paid. I will pay interest at a yearly rate of **7.625 %**.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month. This amount is called my "Monthly Payment."

I will make my Monthly Payment on the **1st** day of each month beginning on **August 1, 2025**. I will make these payments every month until I have paid all of the Principal and interest and any other charges described below that I may owe under this Note. Each Monthly Payment will be applied as of its scheduled due date and will be applied to interest before the Principal. If, on **July 1, 2055**, I still owe amounts under this Note, I will pay those amounts on that date, which is called the "Maturity Date."

I will make my Monthly Payments at **2160 Superior Avenue
Cleveland, OH 44114**

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My Monthly Payment will be in the amount of U.S. **\$495.46**. This payment amount does not include any property taxes, insurance, or other charges that I may be required to pay each month.

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "Prepayment." When I make a Prepayment, I will notify the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the Monthly Payments then due under this Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my Monthly Payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If applicable law sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any Monthly Payment by the end of **15** calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be **5.000 %** of my overdue Monthly Payment. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each Monthly Payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of unpaid Principal, all the interest that I owe on that amount, and other charges due under this Note (the "Default Balance"). That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

If I am in default and the Note Holder does not require me to pay the Default Balance immediately as described above, the Note Holder will still have the right to do so if I continue to be in default or if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay the Default Balance immediately as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees and costs.

7. GIVING OF NOTICES

(A) Notice to Borrower

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it, or by mailing it by first class mail, to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address. I will promptly notify the Note Holder of any change to my physical address and of any change to my mailing address. Unless applicable law requires otherwise, notice may instead be sent by e-mail or other electronic communication if agreed to by me and the Note Holder in writing and if I have provided the Note Holder with my current e-mail address or other electronic address. If I have agreed with the Note Holder that notice may be given by e-mail or other electronic communication, I will promptly notify the Note Holder of any changes to my e-mail address or other electronic address.

(B) Notice to Note Holder

Any notice that I must give to the Note Holder under this Note will be delivered by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety, or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Mortgage Deed, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument also describes how and under what conditions I may be required to make immediate payment of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, Lender will not exercise this option if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender will give Borrower notice of acceleration. The notice will provide a period of not less than 30 days from the date the notice is given in accordance with Section 16 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to, or upon, the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower and will be entitled to collect all expenses incurred in pursuing such remedies, including, but not limited to: (a) reasonable attorneys' fees and costs; (b) property inspection and valuation fees; and (c) other fees incurred to protect Lender's Interest in the Property and/or rights under this Security Instrument.

TRANSFER OF RIGHTS IN THE PROPERTY

This Security Instrument secures to Lender (i) the repayment of the Loan, and all renewals, extensions, and modifications of the Note, and (ii) the performance of Borrower's covenants and agreements under this Security Instrument and

the Note. For this purpose, Borrower does hereby mortgage, grant, and convey to MERS (solely as nominee for Lender and Lender's successors and assigns) and to the successors and assigns of MERS, the following described property located in the **County** of **Colleton**:

SEE LEGAL DESCRIPTION ATTACHED HERETO AND MADE A PART HEREOF AS "EXHIBIT A".

which currently has the address of **609 Proctor St, Walterboro [Street] [City]**

South Carolina **29488** ("Property Address");
[Zip Code]

TO HAVE AND TO HOLD this property unto MERS (solely as nominee for Lender and Lender's successors and assigns) and to the successors and assigns of MERS, forever, together with all the improvements now or subsequently erected on the property, including replacements and additions to the improvements on such property, all property rights, including, without limitation, all easements, appurtenances, royalties, mineral rights, oil or gas rights or profits, water rights, and fixtures now or subsequently a part of the property. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right: to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

BORROWER REPRESENTS, WARRANTS, COVENANTS, AND AGREES that: (i) Borrower lawfully owns and possesses the Property conveyed in this Security Instrument in fee simple or lawfully has the right to use and occupy the Property under a leasehold estate; (ii) Borrower has the right to mortgage, grant, and convey the Property or Borrower's leasehold interest in the Property; and (iii) the Property is unencumbered, and not subject to any other ownership interest in the Property, except for encumbrances and ownership interests of record. Borrower warrants generally the title to the Property and covenants and agrees to defend the title to the Property against all claims and demands, subject to any encumbrances and ownership interests of record as of Loan closing.

THIS SECURITY INSTRUMENT combines uniform covenants for national use with limited variations and non-uniform covenants that reflect specific South Carolina state requirements to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower will pay each Periodic Payment when due. Borrower will also pay any prepayment charges and late charges due under the Note, and any other amounts due under this Security Instrument. Payments due under the Note and this Security Instrument must be made in U.S. currency. If any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check, or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a U.S. federal agency, instrumentality, or entity; or (d) Electronic Fund Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 16. Lender may accept or return any Partial Payments in its sole discretion pursuant to Section 2.

Any offset or claim that Borrower may have now or in the future against Lender will not relieve Borrower from making the full amount of all payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Acceptance and Application of Payments or Proceeds.

(a) Acceptance and Application of Partial Payments. Lender may accept and either apply or hold in suspense Partial Payments in its sole discretion in accordance with this Section 2. Lender is not obligated to accept any Partial Payments or to apply any Partial Payments at the time such payments are accepted, and also is not obligated to pay interest on such unapplied funds. Lender may hold such unapplied funds until Borrower makes payment sufficient to cover a full Periodic Payment, at which time the amount of the full Periodic Payment will be applied to the Loan. If Borrower does not make such a payment within a reasonable period of time, Lender will either apply such funds in accordance with this Section 2 or return them to Borrower. If not applied earlier, Partial Payments will be credited against the total amount due under the Loan in calculating the amount due in connection with any foreclosure proceeding, payoff request, loan

modification, or reinstatement. Lender may accept any payment insufficient to bring the Loan current without waiver of any rights under this Security Instrument or prejudice to its rights to refuse such payments in the future.

(b) Order of Application of Partial Payments and Periodic Payments. Except as otherwise described in this Section 2, if Lender applies a payment, such payment will be applied to each Periodic Payment in the order in which it became due, beginning with the oldest outstanding Periodic Payment, as follows: first to interest and then to principal due under the Note, and finally to Escrow Items. If all outstanding Periodic Payments then due are paid in full, any payment amounts remaining may be applied to late charges and to any amounts then due under this Security Instrument. If all sums then due under the Note and this Security Instrument are paid in full, any remaining payment amount may be applied, in Lender's sole discretion, to a future Periodic Payment or to reduce the principal balance of the Note.

If Lender receives a payment from Borrower in the amount of one or more Periodic Payments and the amount of any late charge due for a delinquent Periodic Payment, the payment may be applied to the delinquent payment and the late charge.

When applying payments, Lender will apply such payments in accordance with Applicable Law.

(c) Voluntary Prepayments. Voluntary prepayments will be applied as described in the Note.

(d) No Change to Payment Schedule. Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note will not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items.

(a) Escrow Requirement; Escrow Items. Borrower must pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum of money to provide for payment of amounts due for all Escrow Items (the "Funds"). The amount of the Funds required to be paid each month may change during the term of the Loan. Borrower must promptly furnish to Lender all notices or invoices of amounts to be paid under this Section 3.

(b) Payment of Funds; Waiver. Borrower must pay Lender the Funds for Escrow Items unless Lender waives this obligation in writing. Lender may waive this obligation for any Escrow Item at any time. In the event of such waiver, Borrower must pay directly, when and where payable, the amounts due for any Escrow Items subject to the waiver. If Lender has waived the requirement to pay Lender the Funds for any or all Escrow Items, Lender may require Borrower to provide proof of direct payment of those items within such time period as Lender may require. Borrower's obligation to make such timely payments and to provide proof of payment is deemed to be a covenant and agreement of Borrower under this Security Instrument. If Borrower is obligated to pay Escrow Items directly pursuant to a waiver, and Borrower fails to pay timely the amount due for an Escrow Item, Lender may exercise its rights under Section 9 to pay such amount and Borrower will be obligated to repay to Lender any such amount in accordance with Section 9.

Lender may withdraw the waiver as to any or all Escrow Items at any time by giving a notice in accordance with Section 16; upon such withdrawal, Borrower must pay to Lender all Funds for such Escrow Items, and in such amounts, that are then required under this Section 3.

(c) Amount of Funds; Application of Funds. Lender may, at any time, collect and hold Funds in an amount up to, but not in excess of, the maximum amount a lender can require under RESPA. Lender will estimate the amount of Funds due in accordance with Applicable Law.

The Funds will be held in an institution whose deposits are insured by a U.S. federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender will apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender may not charge Borrower for: (i) holding and applying the Funds; (ii) annually analyzing the escrow account; or (iii) verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless Lender and Borrower agree in writing or Applicable Law requires interest to be paid on the Funds, Lender will not be required to pay Borrower any interest or earnings on the Funds. Lender will give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

(d) Surplus; Shortage and Deficiency of Funds. In accordance with RESPA, if there is a surplus of Funds held in escrow, Lender will account to Borrower for such surplus. If Borrower's Periodic Payment is delinquent by more than 30 days, Lender may retain the surplus in the escrow account for the payment of the Escrow Items. If there is a shortage or deficiency of Funds held in escrow, Lender will notify Borrower and Borrower will pay to Lender the amount necessary to make up the shortage or deficiency in accordance with RESPA.

Upon payment in full of all sums secured by this Security Instrument, Lender will promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower must pay (a) all taxes, assessments, charges, fines, and impositions attributable to the Property which have priority or may attain priority over this Security Instrument, (b) leasehold payments or ground rents on the Property, if any, and (c) Community Association Dues, Fees, and Assessments, if any. If any of these items are Escrow Items, Borrower will pay them in the manner provided in Section 3.

Borrower must promptly discharge any lien that has priority or may attain priority over this Security Instrument unless Borrower: (aa) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing under such agreement; (bb) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which Lender determines, in its sole discretion, operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (cc) secures from the holder of the lien an agreement satisfactory to Lender that subordinates the lien to this Security Instrument (collectively, the "Required Actions"). If Lender determines that any part of the Property is subject to a lien that has priority or may attain priority over this Security Instrument and Borrower has not taken any of the Required Actions in regard to such lien, Lender may give Borrower a notice identifying the lien. Within 10 days after the date on which that notice is given, Borrower must satisfy the lien or take one or more of the Required Actions.

5. Property Insurance.

(a) Insurance Requirement; Coverages. Borrower must keep the improvements now existing or subsequently erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes, winds, and floods, for which Lender requires insurance. Borrower must maintain the types of insurance Lender requires in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan, and

may exceed any minimum coverage required by Applicable Law. Borrower may choose the insurance carrier providing the insurance, subject to Lender's right to disapprove Borrower's choice, which right will not be exercised unreasonably.

(b) Failure to Maintain Insurance. If Lender has a reasonable basis to believe that Borrower has failed to maintain any of the required insurance coverages described above, Lender may obtain insurance coverage, at Lender's option and at Borrower's expense. Unless required by Applicable Law, Lender is under no obligation to advance premiums for, or to seek to reinstate, any prior lapsed coverage obtained by Borrower. Lender is under no obligation to purchase any particular type or amount of coverage and may select the provider of such insurance in its sole discretion. Before purchasing such coverage, Lender will notify Borrower if required to do so under Applicable Law. Any such coverage will insure Lender, but might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard, or liability and might provide greater or lesser coverage than was previously in effect, but not exceeding the coverage required under Section 5(a). Borrower acknowledges that the cost of the insurance coverage so obtained may significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender for costs associated with reinstating Borrower's insurance policy or with placing new insurance under this Section 5 will become additional debt of Borrower secured by this Security Instrument. These amounts will bear interest at the Note rate from the date of disbursement and will be payable, with such interest, upon notice from Lender to Borrower requesting payment.

(c) Insurance Policies. All insurance policies required by Lender and renewals of such policies: (i) will be subject to Lender's right to disapprove such policies; (ii) must include a standard mortgage clause; and (iii) must name Lender as mortgagee and/or as an additional loss payee. Lender will have the right to hold the policies and renewal certificates. If Lender requires, Borrower will promptly give to Lender proof of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy must include a standard mortgage clause and must name Lender as mortgagee and/or as an additional loss payee.

(d) Proof of Loss; Application of Proceeds. In the event of loss, Borrower must give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Any insurance proceeds, whether or not the underlying insurance was required by Lender, will be applied to restoration or repair of the Property, if Lender deems the restoration or repair to be economically feasible and determines that Lender's security will not be lessened by such restoration or repair.

If the Property is to be repaired or restored, Lender will disburse from the insurance proceeds any initial amounts that are necessary to begin the repair or restoration, subject to any restrictions applicable to Lender. During the subsequent repair and restoration period, Lender will have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction (which may include satisfying Lender's minimum eligibility requirements for persons repairing the Property, including, but not limited to, licensing, bond, and insurance requirements) provided that such inspection must be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed, depending on the size of the repair or restoration, the terms of the repair agreement, and whether Borrower is in Default on the Loan. Lender may make such disbursements directly to Borrower, to the person repairing or restoring the Property, or payable jointly to both. Lender will not be required to pay Borrower any interest or earnings on such insurance proceeds unless Lender and Borrower agree in writing or Applicable Law requires otherwise. Fees for public adjusters, or other third parties, retained by Borrower will not be paid out of the insurance proceeds and will be the sole obligation of Borrower.

If Lender deems the restoration or repair not to be economically feasible or Lender's security would be lessened by such restoration or repair, the insurance proceeds will be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds will be applied in the order that Partial Payments are applied in Section 2(b).

(e) Insurance Settlements; Assignment of Proceeds. If Borrower abandons the Property, Lender may file, negotiate, and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 26 or otherwise, Borrower is unconditionally assigning to Lender (i) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note and this Security Instrument, and (ii) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, to the extent that such rights are applicable to the coverage of the Property. If Lender files, negotiates, or settles a claim, Borrower agrees that any insurance proceeds may be made payable directly to Lender without the need to include Borrower as an additional loss payee. Lender may use the insurance proceeds either to repair or restore the Property (as provided in Section 5(d)) or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower must occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and must continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent will not be unreasonably withheld, or unless extenuating circumstances exist that are beyond Borrower's control.

7. Preservation, Maintenance, and Protection of the Property; Inspections. Borrower will not destroy, damage, or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower must maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless Lender determines pursuant to Section 5 that repair or restoration is not economically feasible, Borrower will promptly repair the Property if damaged to avoid further deterioration or damage.

If insurance or condemnation proceeds are paid to Lender in connection with damage to, or the taking of, the Property, Borrower will be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed, depending on the size of the repair or restoration, the terms of the repair agreement, and whether Borrower is in Default on the Loan. Lender may make such disbursements directly to Borrower, to the person repairing or restoring the Property, or payable jointly to both. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower remains obligated to complete such repair or restoration.

Lender may make reasonable entries upon and inspections of the Property. If Lender has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender will give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower will be in Default if, during the Loan application process, Borrower or any persons or entities acting at Borrower's direction or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan, including, but not limited to, overstating Borrower's income or assets, understating or failing to provide documentation of Borrower's debt obligations and liabilities, and misrepresenting Borrower's occupancy or intended occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument.

(a) Protection of Lender's Interest. If: (i) Borrower fails to perform the covenants and agreements contained in this Security Instrument; (ii) there is a legal proceeding or government order that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien that has priority or may attain priority over this Security Instrument, or to enforce laws or regulations); or (iii) Lender reasonably believes that Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and/or rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions may include, but are not limited to: (I) paying any sums secured by a lien that has priority or may attain priority over this Security Instrument; (II) appearing in court; and (III) paying: (A) reasonable attorneys' fees and costs; (B) property inspection and valuation fees; and (C) other fees incurred for the purpose of protecting Lender's interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, exterior and interior inspections of the Property, entering the Property to make repairs, changing locks, replacing or boarding up doors and windows, draining water from pipes, eliminating building or other code violations or dangerous conditions, and having utilities turned on or off. Although Lender may take action under this Section 9, Lender is not required to do so and is not under any duty or obligation to do so. Lender will not be liable for not taking any or all actions authorized under this Section 9.

(b) Avoiding Foreclosure; Mitigating Losses. If Borrower is in Default, Lender may work with Borrower to avoid foreclosure and/or mitigate Lender's potential losses, but is not obligated to do so unless required by Applicable Law. Lender may take reasonable actions to evaluate Borrower for available alternatives to foreclosure, including, but not limited to, obtaining credit reports, title reports, title insurance, property valuations, subordination agreements, and third-party approvals. Borrower authorizes and consents to these actions. Any costs associated with such loss mitigation activities may be paid by Lender and recovered from Borrower as described below in Section 9(c), unless prohibited by Applicable Law.

(c) Additional Amounts Secured. Any amounts disbursed by Lender under this Section 9 will become additional debt of Borrower secured by this Security Instrument. These amounts may bear interest at the Note rate from the date of disbursement and will be payable, with such interest, upon notice from Lender to Borrower requesting payment.

(d) Leasehold Terms. If this Security Instrument is on a leasehold, Borrower will comply with all the provisions of the lease. Borrower will not surrender the leasehold estate and interests conveyed or terminate or cancel the ground lease. Borrower will not, without the express written consent of Lender, alter or amend the ground lease. If Borrower acquires fee title to the Property, the leasehold and the fee title will not merge unless Lender agrees to the merger in writing.

10. Assignment of Rents.

(a) Assignment of Rents. If the Property is leased to, used by, or occupied by a third party ("Tenant"), Borrower is unconditionally assigning and transferring to Lender any Rents, regardless of to whom the Rents are payable. Borrower authorizes Lender to collect the Rents, and agrees that each Tenant will pay the Rents to Lender. However, Borrower will receive the Rents until (i) Lender has given Borrower notice of Default pursuant to Section 26, and (ii) Lender has given notice to the Tenant that the Rents are to be paid to Lender. This Section 10 constitutes an absolute assignment and not an assignment for additional security only.

(b) Notice of Default. If Lender gives notice of Default to Borrower: (i) all Rents received by Borrower must be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender will be entitled to collect and receive all of the Rents; (iii) Borrower agrees to instruct each Tenant that Tenant is to pay all Rents due and unpaid to Lender upon Lender's written demand to the Tenant; (iv) Borrower will ensure that each Tenant pays all Rents due to Lender and will take whatever action is necessary to collect such Rents if not paid to Lender; (v) unless Applicable Law provides otherwise, all Rents collected by Lender will be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, reasonable attorneys' fees and costs, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments, and other charges on the Property, and then to any other sums secured by this Security Instrument; (vi) Lender, or any judicially appointed receiver, will be liable to account for only those Rents actually received; and (vii) Lender will be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

(c) Funds Paid by Lender. If the Rents are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents, any funds paid by Lender for such purposes will become indebtedness of Borrower to Lender secured by this Security Instrument pursuant to Section 9.

(d) Limitation on Collection of Rents. Borrower may not collect any of the Rents more than one month in advance of the time when the Rents become due, except for security or similar deposits.

(e) No Other Assignment of Rents. Borrower represents, warrants, covenants, and agrees that Borrower has not signed any prior assignment of the Rents, will not make any further assignment of the Rents, and has not performed, and will not perform, any act that could prevent Lender from exercising its rights under this Security Instrument.

(f) Control and Maintenance of the Property. Unless required by Applicable Law, Lender, or a receiver appointed under Applicable Law, is not obligated to enter upon, take control of, or maintain the Property before or after giving notice

of Default to Borrower. However, Lender, or a receiver appointed under Applicable Law, may do so at any time when Borrower is in Default, subject to Applicable Law.

(g) Additional Provisions. Any application of the Rents will not cure or waive any Default or invalidate any other right or remedy of Lender. This Section 10 does not relieve Borrower of Borrower's obligations under Section 6.

This Section 10 will terminate when all the sums secured by this Security Instrument are paid in full.

11. Mortgage Insurance.

(a) Payment of Premiums; Substitution of Policy; Loss Reserve; Protection of Lender. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower will pay the premiums required to maintain the Mortgage Insurance in effect. If Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, and (i) the Mortgage Insurance coverage required by Lender ceases for any reason to be available from the mortgage insurer that previously provided such insurance, or (ii) Lender determines in its sole discretion that such mortgage insurer is no longer eligible to provide the Mortgage Insurance coverage required by Lender, Borrower will pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender.

If substantially equivalent Mortgage Insurance coverage is not available, Borrower will continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use, and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve will be non-refundable, even when the Loan is paid in full, and Lender will not be required to pay Borrower any interest or earnings on such loss reserve.

Lender will no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance.

If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower will pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 11 affects Borrower's obligation to pay interest at the Note rate.

(b) Mortgage Insurance Agreements. Mortgage Insurance reimburses Lender for certain losses Lender may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance policy or coverage.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. Any such agreements will not: (i) affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan; (ii) increase the amount Borrower will owe for Mortgage Insurance; (iii) entitle Borrower to any refund; or (iv) affect the rights Borrower has, if any, with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 (12 U.S.C. § 4901 et seq.), as it may be amended from time to time, or any additional or successor federal legislation or regulation that governs the same subject matter ("HPA"). These rights under the HPA may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

12. Assignment and Application of Miscellaneous Proceeds; Forfeiture.

(a) Assignment of Miscellaneous Proceeds. Borrower is unconditionally assigning the right to receive all Miscellaneous Proceeds to Lender and agrees that such amounts will be paid to Lender.

(b) Application of Miscellaneous Proceeds upon Damage to Property. If the Property is damaged, any Miscellaneous Proceeds will be applied to restoration or repair of the Property, if Lender deems the restoration or repair to be economically feasible and Lender's security will not be lessened by such restoration or repair. During such repair and restoration period, Lender will have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect the Property to ensure the work has been completed to Lender's satisfaction (which may include satisfying Lender's minimum eligibility requirements for persons repairing the Property, including, but not limited to, licensing, bond, and insurance requirements) provided that such inspection must be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed, depending on the size of the repair or restoration, the terms of the repair agreement, and whether Borrower is in Default on the Loan. Lender may make such disbursements directly to Borrower, to the person repairing or restoring the Property, or payable jointly to both. Unless Lender and Borrower agree in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender will not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If Lender deems the restoration or repair not to be economically feasible or Lender's security would be lessened by such restoration or repair, the Miscellaneous Proceeds will be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds will be applied in the order that Partial Payments are applied in Section 2(b).

(c) Application of Miscellaneous Proceeds upon Condemnation, Destruction, or Loss in Value of the Property.

In the event of a total taking, destruction, or loss in value of the Property, all of the Miscellaneous Proceeds will be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property (each, a "Partial Devaluation") where the fair market value of the Property immediately before the Partial Devaluation is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the Partial Devaluation, a percentage of the Miscellaneous Proceeds will be applied to the sums secured by this Security Instrument unless Borrower and Lender otherwise agree in

writing. The amount of the Miscellaneous Proceeds that will be so applied is determined by multiplying the total amount of the Miscellaneous Proceeds by a percentage calculated by taking (i) the total amount of the sums secured immediately before the Partial Devaluation, and dividing it by (ii) the fair market value of the Property immediately before the Partial Devaluation. Any balance of the Miscellaneous Proceeds will be paid to Borrower.

In the event of a Partial Devaluation where the fair market value of the Property immediately before the Partial Devaluation is less than the amount of the sums secured immediately before the Partial Devaluation, all of the Miscellaneous Proceeds will be applied to the sums secured by this Security Instrument, whether or not the sums are then due, unless Borrower and Lender otherwise agree in writing.

(d) Settlement of Claims. Lender is authorized to collect and apply the Miscellaneous Proceeds either to the sums secured by this Security Instrument, whether or not then due, or to restoration or repair of the Property, if Borrower (i) abandons the Property, or (ii) fails to respond to Lender within 30 days after the date Lender notifies Borrower that the Opposing Party (as defined in the next sentence) offers to settle a claim for damages. "Opposing Party" means the third party that owes Borrower the Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to the Miscellaneous Proceeds.

(e) Proceeding Affecting Lender's Interest in the Property. Borrower will be in Default if any action or proceeding begins, whether civil or criminal, that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a Default and, if acceleration has occurred, reinstate as provided in Section 20, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower is unconditionally assigning to Lender the proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property, which proceeds will be paid to Lender. All Miscellaneous Proceeds that are not applied to restoration or repair of the Property will be applied in the order that Partial Payments are applied in Section 2(b).

13. Borrower Not Released; Forbearance by Lender Not a Waiver. Borrower or any Successor in Interest of Borrower will not be released from liability under this Security Instrument if Lender extends the time for payment or modifies the amortization of the sums secured by this Security Instrument. Lender will not be required to commence proceedings against any Successor in Interest of Borrower, or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument, by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities, or Successors in Interest of Borrower or in amounts less than the amount then due, will not be a waiver of, or preclude the exercise of, any right or remedy by Lender.

14. Joint and Several Liability; Signatories; Successors and Assigns Bound. Borrower's obligations and liability under this Security Instrument will be joint and several. However, any Borrower who signs this Security Instrument but does not sign the Note: (a) signs this Security Instrument to mortgage, grant, and convey such Borrower's interest in the Property under the terms of this Security Instrument; (b) signs this Security Instrument to waive any applicable inchoate rights such as dower and curtesy and any available homestead exemptions; (c) signs this Security Instrument to assign any Miscellaneous Proceeds, Rents, or other earnings from the Property to Lender; (d) is not personally obligated to pay the sums due under the Note or this Security Instrument; and (e) agrees that Lender and any other Borrower can agree to extend, modify, forbear, or make any accommodations with regard to the terms of the Note or this Security Instrument without such Borrower's consent and without affecting such Borrower's obligations under this Security Instrument.

Subject to the provisions of Section 19, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, will obtain all of Borrower's rights, obligations, and benefits under this Security Instrument. Borrower will not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing.

15. Loan Charges.

(a) Tax and Flood Determination Fees. Lender may require Borrower to pay (i) a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan, and (ii) either (A) a one-time charge for flood zone determination, certification, and tracking services, or (B) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur that reasonably might affect such determination or certification. Borrower will also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency, or any successor agency, at any time during the Loan term, in connection with any flood zone determinations.

(b) Default Charges. If permitted under Applicable Law, Lender may charge Borrower fees for services performed in connection with Borrower's Default to protect Lender's interest in the Property and rights under this Security Instrument, including: (i) reasonable attorneys' fees and costs; (ii) property inspection, valuation, mediation, and loss mitigation fees; and (iii) other related fees.

(c) Permissibility of Fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower should not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

(d) Savings Clause. If Applicable Law sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then (i) any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit, and (ii) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). To the extent permitted by Applicable Law, Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

16. Notices; Borrower's Physical Address. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing.

(a) Notices to Borrower. Unless Applicable Law requires a different method, any written notice to Borrower in connection with this Security Instrument will be deemed to have been given to Borrower when (i) mailed by first class mail, or (ii) actually delivered to Borrower's Notice Address (as defined in Section 16(c) below) if sent by means other than first class mail or Electronic Communication (as defined in Section 16(b) below). Notice to any one Borrower will constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. If any notice to Borrower required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

(b) Electronic Notice to Borrower. Unless another delivery method is required by Applicable Law, Lender may provide notice to Borrower by e-mail or other electronic communication ("Electronic Communication") if: (i) agreed to by Lender and Borrower in writing; (ii) Borrower has provided Lender with Borrower's e-mail or other electronic address ("Electronic Address"); (iii) Lender provides Borrower with the option to receive notices by first class mail or by other non-Electronic Communication instead of by Electronic Communication; and (iv) Lender otherwise complies with Applicable Law. Any notice to Borrower sent by Electronic Communication in connection with this Security Instrument will be deemed to have been given to Borrower when sent unless Lender becomes aware that such notice is not delivered. If Lender becomes aware that any notice sent by Electronic Communication is not delivered, Lender will resend such communication to Borrower by first class mail or by other non-Electronic Communication. Borrower may withdraw the agreement to receive Electronic Communications from Lender at any time by providing written notice to Lender of Borrower's withdrawal of such agreement.

(c) Borrower's Notice Address. The address to which Lender will send Borrower notice ("Notice Address") will be the Property Address unless Borrower has designated a different address by written notice to Lender. If Lender and Borrower have agreed that notice may be given by Electronic Communication, then Borrower may designate an Electronic Address as Notice Address. Borrower will promptly notify Lender of Borrower's change of Notice Address, including any changes to Borrower's Electronic Address if designated as Notice Address. If Lender specifies a procedure for reporting Borrower's change of Notice Address, then Borrower will report a change of Notice Address only through that specified procedure.

(d) Notices to Lender. Any notice to Lender will be given by delivering it or by mailing it by first class mail to Lender's address stated in this Security Instrument unless Lender has designated another address (including an Electronic Address) by notice to Borrower. Any notice in connection with this Security Instrument will be deemed to have been given to Lender only when actually received by Lender at Lender's designated address (which may include an Electronic Address). If any notice to Lender required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

(e) Borrower's Physical Address. In addition to the designated Notice Address, Borrower will provide Lender with the address where Borrower physically resides, if different from the Property Address, and notify Lender whenever this address changes.

17. Governing Law; Severability; Rules of Construction. This Security Instrument is governed by federal law and the law of the State of South Carolina. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. If any provision of this Security Instrument or the Note conflicts with Applicable Law (i) such conflict will not affect other provisions of this Security Instrument or the Note that can be given effect without the conflicting provision, and (ii) such conflicting provision, to the extent possible, will be considered modified to comply with Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence should not be construed as a prohibition against agreement by contract. Any action required under this Security Instrument to be made in accordance with Applicable Law is to be made in accordance with the Applicable Law in effect at the time the action is undertaken.

As used in this Security Instrument: (a) words in the singular will mean and include the plural and vice versa; (b) the word "may" gives sole discretion without any obligation to take any action; (c) any reference to "Section" in this document refers to Sections contained in this Security Instrument unless otherwise noted; and (d) the headings and captions are inserted for convenience of reference and do not define, limit, or describe the scope or intent of this Security Instrument or any particular Section, paragraph, or provision.

18. Borrower's Copy. One Borrower will be given one copy of the Note and of this Security Instrument.

19. Transfer of the Property or a Beneficial Interest in Borrower. For purposes of this Section 19 only, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract, or escrow agreement, the intent of which is the transfer of title by Borrower to a purchaser at a future date.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, Lender will not exercise this option if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender will give Borrower notice of acceleration. The notice will provide a period of not less than 30 days from the date the notice is given in accordance with Section 16 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to, or upon, the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower and will be entitled to collect all expenses incurred in pursuing such remedies, including, but not limited to: (a) reasonable attorneys' fees and costs; (b) property inspection and valuation fees; and (c) other fees incurred to protect Lender's Interest in the Property and/or rights under this Security Instrument.

20. Borrower's Right to Reinstate the Loan after Acceleration. If Borrower meets certain conditions, Borrower will have the right to reinstate the Loan and have enforcement of this Security Instrument discontinued at any time up to the later of (a) five days before any foreclosure sale of the Property, or (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate. This right to reinstate will not apply in the case of acceleration under Section 19.

To reinstate the Loan, Borrower must satisfy all of the following conditions: (aa) pay Lender all sums that then would be due under this Security Instrument and the Note as if no acceleration had occurred; (bb) cure any Default of any other covenants or agreements under this Security Instrument or the Note; (cc) pay all expenses incurred in enforcing this Security Instrument or the Note, including, but not limited to: (i) reasonable attorneys' fees and costs; (ii) property

inspection and valuation fees; and (iii) other fees incurred to protect Lender's interest in the Property and/or rights under this Security Instrument or the Note; and (dd) take such action as Lender may reasonably require to assure that Lender's interest in the Property and/or rights under this Security Instrument or the Note, and Borrower's obligation to pay the sums secured by this Security Instrument or the Note, will continue unchanged.

Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (aaa) cash; (bbb) money order; (ccc) certified check, bank check, treasurer's check, or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a U.S. federal agency, instrumentality, or entity; or (ddd) Electronic Fund Transfer. Upon Borrower's reinstatement of the Loan, this Security Instrument and obligations secured by this Security Instrument will remain fully effective as if no acceleration had occurred.

21. Sale of Note. The Note or a partial interest in the Note, together with this Security Instrument, may be sold or otherwise transferred one or more times. Upon such a sale or other transfer, all of Lender's rights and obligations under this Security Instrument will convey to Lender's successors and assigns.

22. Loan Servicer. Lender may take any action permitted under this Security Instrument through the Loan Servicer or another authorized representative, such as a sub-servicer. Borrower understands that the Loan Servicer or other authorized representative of Lender has the right and authority to take any such action.

The Loan Servicer may change one or more times during the term of the Note. The Loan Servicer may or may not be the holder of the Note. The Loan Servicer has the right and authority to: (a) collect Periodic Payments and any other amounts due under the Note and this Security Instrument; (b) perform any other mortgage loan servicing obligations; and (c) exercise any rights under the Note, this Security Instrument, and Applicable Law on behalf of Lender. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made, and any other information RESPA requires in connection with a notice of transfer of servicing.

23. Notice of Grievance. Until Borrower or Lender has notified the other party (in accordance with Section 16) of an alleged breach and afforded the other party a reasonable period after the giving of such notice to take corrective action, neither Borrower nor Lender may commence, join, or be joined to any judicial action (either as an individual litigant or a member of a class) that (a) arises from the other party's actions pursuant to this Security Instrument or the Note, or (b) alleges that the other party has breached any provision of this Security Instrument or the Note. If Applicable Law provides a time period that must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this Section 23. The notice of Default given to Borrower pursuant to Section 26(a) and the notice of acceleration given to Borrower pursuant to Section 19 will be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 23.

24. Hazardous Substances.

(a) Definitions. As used in this Section 24: (i) "Environmental Law" means any Applicable Laws where the Property is located that relate to health, safety, or environmental protection; (ii) "Hazardous Substances" include (A) those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law, and (B) the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, corrosive materials or agents, and radioactive materials; (iii) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (iv) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

(b) Restrictions on Use of Hazardous Substances. Borrower will not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower will not do, nor allow anyone else to do, anything affecting the Property that: (i) violates Environmental Law; (ii) creates an Environmental Condition; or (iii) due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects or could adversely affect the value of the Property. The preceding two sentences will not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

(c) Notices; Remedial Actions. Borrower will promptly give Lender written notice of: (i) any investigation, claim, demand, lawsuit, or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge; (ii) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release, or threat of release of any Hazardous Substance; and (iii) any condition caused by the presence, use, or release of a Hazardous Substance that adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower will promptly take all necessary remedial actions in accordance with Environmental Law. Nothing in this Security Instrument will create any obligation on Lender for an Environmental Cleanup.

25. Electronic Note Signed with Borrower's Electronic Signature. If the Note evidencing the debt for this Loan is electronic, Borrower acknowledges and represents to Lender that Borrower: (a) expressly consented and intended to sign the electronic Note using an Electronic Signature adopted by Borrower ("Borrower's Electronic Signature") instead of signing a paper Note with Borrower's written pen and ink signature; (b) did not withdraw Borrower's express consent to sign the electronic Note using Borrower's Electronic Signature; (c) understood that by signing the electronic Note using Borrower's Electronic Signature, Borrower promised to pay the debt evidenced by the electronic Note in accordance with its terms; and (d) signed the electronic Note with Borrower's Electronic Signature with the intent and understanding that by doing so, Borrower promised to pay the debt evidenced by the electronic Note in accordance with its terms.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

26. Acceleration; Remedies.

(a) Notice of Default. Lender will give a notice of Default to Borrower prior to acceleration following Borrower's Default, except that such notice of Default will not be sent when Lender exercises its right under Section 19 unless

Applicable Law provides otherwise. The notice will specify, in addition to any other information required by Applicable Law: (i) the Default; (ii) the action required to cure the Default; (iii) a date, not less than 30 days (or as otherwise specified by Applicable Law) from the date the notice is given to Borrower, by which the Default must be cured; (iv) that failure to cure the Default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property; (v) Borrower's right to reinstate after acceleration; and (vi) Borrower's right to deny in the foreclosure proceeding the existence of a Default or to assert any other defense of Borrower to acceleration and foreclosure.

(b) Acceleration; Foreclosure; Expenses. If the Default is not cured on or before the date specified in the notice, Lender may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender will be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 26, including, but not limited to: (i) reasonable attorneys' fees and costs; (ii) property inspection and valuation fees; and (iii) other fees incurred to protect Lender's interest in the Property and/or rights under this Security Instrument.

27. Release. Upon payment of all sums secured by this Security Instrument, this Security Instrument will become null and void. Lender will release this Security Instrument. Borrower will pay any recordation costs associated with such release. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

28. Homestead Waiver. Borrower waives all rights of homestead exemption in the Property to the extent allowed by Applicable Law.

29. Future Advances. The lien of this Security Instrument will secure the existing indebtedness under the Note and any future advances made under this Security Instrument up to 150% of the original principal amount of the Note plus interest, attorneys' fees, and court costs. Interest or discount may be deferred, accrued or capitalized.

30. Waiver of Appraisal Rights. The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within 30 days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. TO THE EXTENT PERMITTED BY LAW, THE UNDERSIGNED WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY. This waiver will not apply so long as the Property is used as a dwelling place as defined in Section 12-37-250 of the South Carolina Code of Laws or to a consumer credit transaction as defined in Section 37-1-301(11) of the South Carolina Code of Laws.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider signed by Borrower and recorded with it.

Thank you for choosing CrossCountry Mortgage, LLC for your mortgage financing needs. It is important that we have an accurate representation of your financial commitments so we can determine if you qualify for your loan. Each time someone requests your credit report, an inquiry is noted on the report. The most common reason this occurs is in connection with an application for credit such as a mortgage loan, auto loan, credit card, etc.

We will continually monitor your credit activity during the loan application process, and may obtain a new credit report prior to close. New accounts and inquires may impact your loan approval or loan closing as they can represent a change in your financial obligations.

All additional debt obligations that are expected to exist at or around the time of this transaction closing*, not included on my loan application, are provided below. Please attach the most recent statement (if available) for the debts listed below.

It is illegal for a person to knowingly withhold debt obligation information regarding a credit application to a financial institution. Withholding such information is bank fraud. Bank fraud is investigated by the Federal Bureau of Investigation (FBI) and is punishable by fines of up to \$1,000,000, or up to 30 years in federal prison, or both.

**This in no way constitutes a loan commitment of approval.*

Creditor	Total Obligation	Monthly Payment Amount

I(we), Kathleen Whay , Acknowledge and certify that I (we) have no other debt obligations that are expected to exist at or around the time of this transaction closing beyond what I (we) provided on my (our) loan application and what is provided above on this document. I (we), further acknowledge and certify that I (we) understand that knowingly withholding debt obligation information is mortgage fraud, which is punishable by incarceration in federal prison.
